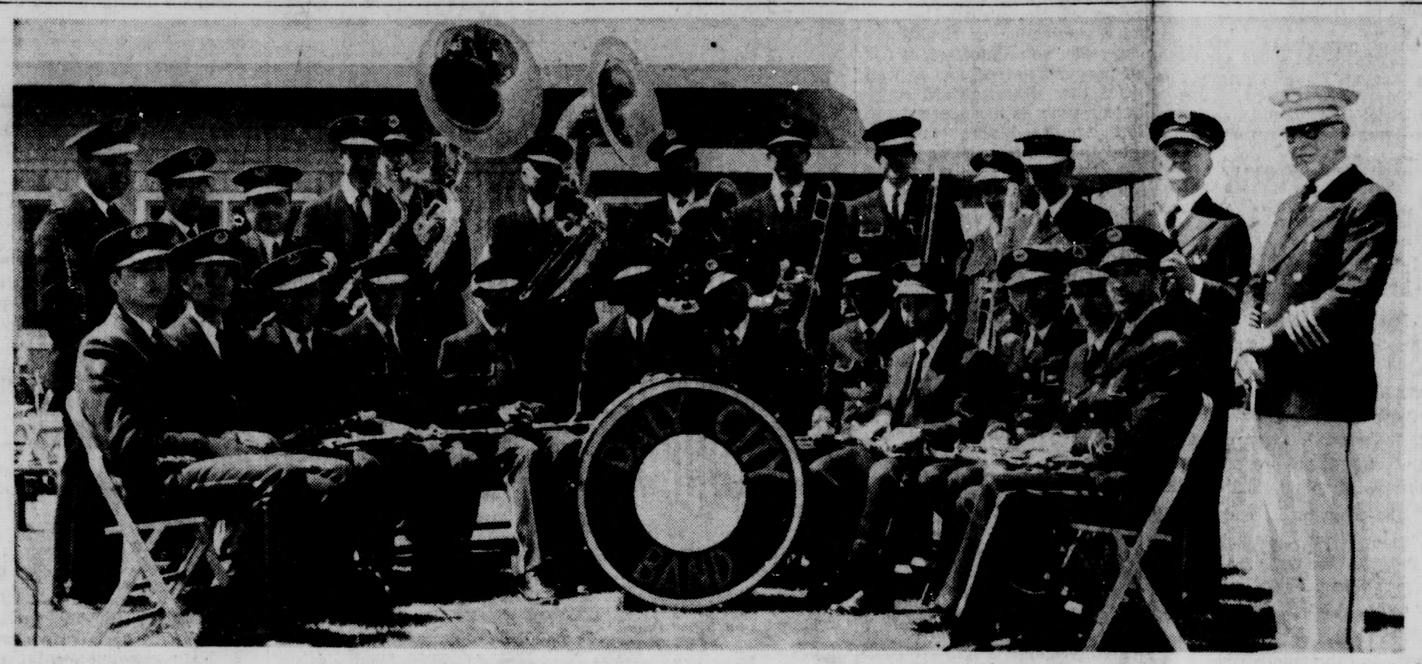
TUES., AUG. 16, SPECIAL ELECTION WILL DETERMINE FATE OF CALLAN PARK TRACT



DALY CITY'S fine Municipal Band will be featured in a special concert this Saturday evening, "Daly City Day" at the San Mateo County Fair and Fiesta in San Mateo. George Brenner (far right) directs the Daly City musicians. They will play at the fair from 6 to 7:30 p.m. on August 13.

Westlake Court Site Of Registrations For Nov. Election

Beginning August 18, a deputy registrar will be located at Westlake Food Center, 85 Westlake court, in order to register voters for the November general election.

Registrars will be there from August 18-20, 25-27, September 1-3, 8-10 and then every day from September 11 to 15, the last day to registration.

Weekday hours are 1 to 5 p.m. and 6 to 8 p.m., while Saturday registrations will take place from 10 a.m. to 5 p.m.

18,507 Eligible To Have 'Voice' At City's Polls

"Yes" or "no" on Callan Park—871 acres promising Daly City 16,560 new residents in new homes and apartments, one giant shopping center, and two smaller shopping centers within the next seven years.

Daly City voters will make their decisions Tuesday when the disputed annexation will be settled at the polls. There are 38 precincts and the booths will be open from 7 a.m. to 7 p.m.

City Clerk Evelyn Mosman reports 18,507 in Daly City's 43,500 population are eligible to cast ballots. The turnout is expected to be heavy because of the intensity of the controversy.

Daly City has received Bay Area and Peninsula-wide attention on the annexation fight. Both sides have been well organized and financed in a heated publicity battle of charges and counter-charges.

During the past 36 years, Daly City has had 34 annexations — six of which were "major" in size. Of these six, only one went to a referendum vote of the people — the 432-acres initial Westlake annexation in November of 1948. Residents then supported the council's 4-1 vote for the annexation by casting 3415 "yes" votes to 1790 "no" tallies—almost a 2-1 margin in favor of the annexation.

Daly City's Chamber of Commerce endorsed the annexation two months ago. Several labor officials who reside here also are supporting "yes" at the polls, basing their stand on Callan's statement of a $150 million total development, the major regional shopping center's sales tax revenues, and that more jobs and money will come into Daly City, advancing it to status as San Mateo County's second largest city and giving it more political and regional power and prestige.

COUNCILMAN STATES OPPOSITION GROUP 'NOT FOR DALY CITY'

"I am sure now, if I had any doubts before, that it is evident that the group opposing the annexation (of Callan Park) must have interests other than the good of Daly City at heart."

That is what Councilman Micheal De Bernardi told the Daly City Council Monday night in a report on two public forums on the Callan Park controversy.

De Bernardi said that the opposition to Callan Park has issued a "United Citizens Report" on the financial effects of Callan Park that shows projected costs of taxes and services which do not exist in Daly City.

He said that the report was "comical" but that it is sad that its authors are "either so uninformed, so full of personal hatred, or so well paid," that they are circulating these statements in Daly City.

The following is the full text of Councilman De Bernardi's report:

"I attended a meeting on July 27 at Benjamin Franklin School in which both sides of the proposed annexation and its effect on Daly City were supposed to be presented.

"Besides Mr. Callan and Mr. O'Haire, as pro and con repectively, there was a panel of three gentlemen, all intelligent and well-educated, but having no knowledge of Daly City, its tax base, budget, sales tax application, water supply, sewage system, or the facts of what Westlake meant in revenue to Daly City. I say Westlake here because, for all intents and purposes, Westlake and Callan Park are approximately the same size and same type of development.

"I am sure now, if I had any doubts before, that it is evident that the group opposing the annexation must have interests other than the good of Daly City at heart. I qualify this by pointing out that this group has not used facts that are of record in Daly City as to how Westlake affected Daly City and projected these figures to the new annexation, but have used figures that are average of the State Controller's Office. These averages in themselves prove only the position the state of California will take on issues affecting the state. It can readily be seen that individual cases such as this have individual problems and answers, and we have both on record and open for public inspection.

"It is thoroughly disgusting to know that the facts are here and on record, and that a small group can make the attempts to ridicule the intelligence of the people of our city with the use of figures and statements not related to our city, with the use of a backer or backers willing to put up approximately $15,000 to $20,000 to defeat the annexation — for some other purpose than the good of the city.

"It would appear that on an issue as important as this, that if panel discussions, forums, or questions are to be answered, that they be answered by those on the City Council who have all the facts, which are, incidentally, a matter of record, and not their imagination or assumption. I, for one, would be happy to do so, rather than by persons knowing nothing of our community or its problems. Remember, if all theory were put to work in business, that particular business would strangle

(Continued on Page 2)

Four Councilmen Urge Positive Vote On 871 Acre Annexation

Mayor Frank Pacelli and Councilman Micheal DeBernardi, Edward Dennis and Bob St. Clair today affixed their signatures to the following letter, addressed to residents of Daly City:

"On two separate occasions, we, your elected councilmen, after weeks of consultation with all city departments concerned, voted 4 to 1 to annex Callan Park because we believe the annexation of this balanced, tax-revenue producing community will be extremely beneficial to the taxpayers of Daly City.

"There have been 32 annexations to Daly City during the past 30 years. It is interesting to note that the obstructionists who are opposing the annexation of Callan Park opposed none of the previous annexations nor those that have been presented to the councilmen since we voted favorably on Callan Park. (Westlake, which has proven to be of great benefit to the entire community, was similarly opposed. It, too, required an expensive special election before its annexation to Daly City.)

"Callan Park was annexed to Daly City under terms of the strongest and tightest written agreement that has ever been signed by a developer with Daly City. Furthermore, the Callans have posted a $100,000 performance bond which guarantees that they will install and pay for all of the basic public works as specified in the agreement.

"We found many other advantages of this annexation. When completed, it will give Daly City over $400,000 a year in clear net tax profit over and above the costs of public services required in the area.

"It would be tragic if our community were to be deprived of Callan Park by those who seek to block solid growth and progress, thus saddling Daly City forever with higher and higher taxes.

"We strongly urge you to join with us in voting "YES" on Tuesday, August 16th."

Fire Department Endorses 'Yes' Vote On Callan Park

The "Yes" Committee on Callan Park received another big boost this week as the Daly City Fire Department voted unanimous endorsement of the annexation of Callan Park to Daly City.

Fire Chief J. E. Kennedy said that the firemen discussed the fact that the annexation of Westlake to Daly City was just as strenuously opposed in 1948, "and with practically the same arguments being used."

Chief Kennedy explained that "Westlake has been a wonderful addition to the City of Daly City with very good cooperation between the Doelger Corporation and the city during the past 12 years.

"With a strong annexation agreement in effect for the Callan Park annexation, the City Council has an excellent blueprint for acquiring needed facilities to service this area," Chief Kennedy said.

He scorned the tax scare by opponents of Callan Park and cited figures from the Tax Collectors office of a typical Daly City home. "It was shown at the time of Westlake annexation in 1948, Daly City taxes were $42.04 as compared to $34.20 in 1959-60," he said.

Callan Park has also received endorsement from The Daly City Veteran Firemens' Association, the Chamber of Commerce and members of the City Council, Planning Commission and Sanitation District.

City Attorney Favors 'Yes' Vote On Annexation

August 8, 1960

It has been a matter of some concern to me to see the vast amount of misinformation circulated in opposition to the annexation of 871 acres to Daly City. Many have allowed personal animosities to obscure the issue.

It has been my privilege to participate in discussions with the Zita Corporation as a newly elected councilman when St. Francis Heights was annexed and to participate in every subsequent annexation discussion as City Attorney.

It is my professional judgement that the Callan Park annexation agreement contains every safeguard possible under the circumstances.

I also favor the annexation because in the last analysis growth means progress to Daly City. We stand on the threshold of importance. I favor YES on the annexation.

Paul Hupf
City Attorney

'Daly City Day' This Saturday At County's Big Fair

"Daly City Day" will climax the annual San Mateo County Fair and Floral Fiesta this Saturday.

Miss Daly City — Westmoor High's Bonnie Jensen—will be on hand and Daly City's booth will be jumping.

The Daly City Municipal Band will present a concert from 6 to 7:30 p.m. under the baton of veteran George Brenner.

COUNCIL ACTION

Resolutions Call For Two Hour Parking At Irvington, School Sts.

City Councilmen breezed through action items in what must have been record time, 45 minutes, last Monday, with main items concerning closing of a street at the foot of St. Francis Heights and two hour parking along streets bordering Mission street.

Councilmen passed a resolution calling for closing of San Fernando way at the intersection with Junipero Serra boulevard. The street was closed in order to divert traffic in order to facilitate the placing of signals at Eastmoor avenue and Junipero Serra.

The Eastmoor-Junipero Serra signals have long been labeled "a must" by the council and the closing of San Fernando way will help to hurry them, City Manager Ed Frank stated. The resolution was passed in accordance with directives from the Division of Highways. Notice has been given to establishments and people directly affected.

Upon the recommendation of Police Chief Roland Petrocchi and a petition signed by a majority of people in the area, the Council resolved that two hour parking should be set at both sides of School street, between Mission street and Bruno avenue, and both sides of the 300 and 400 blocks of Irvington street.

No parking meters will be placed at the locations.

The Council held up action on Skyline drive, between Mendo and Westmoor avenues, awaiting a recommendation from Police Chief Petrocchi. Initital recommendation by City Engineer Bill Chapman is that signals be set up at Northridge and Menlo drive. Police reports show that 25 moving violaters have been cited since Fall, 1958. In addition, eight speeding citations have been issued since July 26.

HIGH SCHOOL ORIENTATION

STUDENTS NEW TO DISTRICT, FRESHMEN REPORT SEPTEMBER 1

September first marks the official opening of school for all freshmen and incoming students new to the Jefferson Union High School District, according to Director of Instruction Dr. John J. Ivan.

Jefferson and Westmoor students are to report to the gymnasium of their respective high schools at 8 a.m. on Thursday, September 1. Oceana students will report to the Westmoor gymnasium at 1 p.m. for their orientation program. Bus schedules announcing times and places for pick-ups will be announced at a later date.

The opening of the 1960-61 school year will be marked by an official welcome conducted by the school principals, after which students will assemble in their home rooms for a more complete orientation to school procedures. All students will be issued their class program cards for the fall semester as well as their book lockers. Students new to the district and not previously registered will have an opportunity to take placement tests and register for the fall semester.

Complete information can be

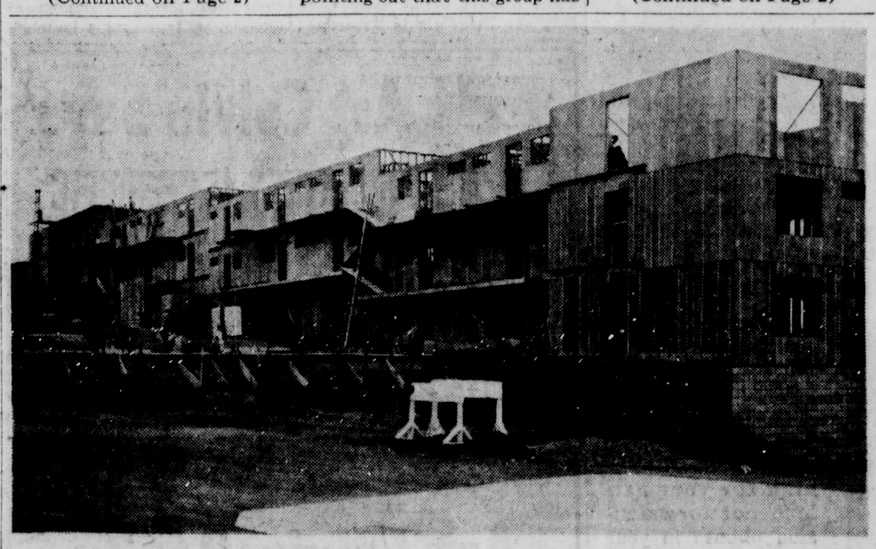
Explosion Tosses Man From Mission House Trailer

A 36-year-old man was tossed from a house trailer Saturday at 8:35 a.m. when an explosion occurred. He was treated for burns at Junipero Serra Hospital and then sent home.

Dewey McNiece, 7301 Mission street, said he had forgotten to turn off the main gas connection at his house trailer. When he arose he noticed the gas jet on the stove was slightly turned on. The gas had been building up during the night and when he struck a match the explosion threw him outside the trailer.

Carl Dyer, manager of the Golden West Trailer Court, notified the police.



DUE for completion within 60 days, the $600,000 "Eastmoor Apartments" under construction by McKeon Corporation in St. Francis Heights will include elevators and all the delights of poolside living. There are 57 separate units and two bathrooms are featured in 12 of these. The view from this hillside development is excellent. George McKeon expects to begin work on his proposed 12-acre neighborhood shopping center within 90 days.

JESD RECEIVES $445,000 FROM STATE FINANCE

Superintendent Richard Foster said that the Jefferson Elementary School District was allocated nearly $445,000 by the State Department of Finance Tuesday.

The funds for the six classroom addition at Benjamin Franklin School, 700 Stewart avenue, Broadmoor Village, totalled $332,597.32. Another $110,000 was allocated for new furniture at schools being built by the District.

Daniel Conti Gets Five Years To Life For Wife Slaying

Daniel M. Conti, 62, 28 Knowles avenue, was sentenced five years to life imprisonment by Superior Court Judge J. A. Branson, Monday in Redwood City.

Conti's first trial, for the murder of his wife Mary, had been postponed due to his having a heart condition. He originally plead not guilty to a first degree murder charge but changed the plea after the charge was reduced to second degree murder.

Two San Francisco Men 'Somehow' Stabbed At Rice Street 'Party'

James Martin, 25, 1069 Treat street, San Francisco, was booked for assault with a deadly weapon after two San Francisco men were hospitalized following a knifing at a party at 17 Rice street early Saturday morning.

Martin, according to Sergeant Charles Terry, claims that the knifing was accidental. Three witnesses agreed that Martin and three other men were tumbling down the stairs when John L. Lombardi, 19, 1201 Gilman street, San Francisco, was stabbed in the vicinity of the heart.

Preliminary hearing for Martin was held yesterday at South San Francisco Municipal Court. Hospitalized are James Kazarian, 22, 40 Sharon street, San Francisco, both at Mission Emergency Hospital.

Kazarian said he was stabbed in the left arm and slashed on the right elbow while he was upstairs, but could give no details as to who did the stabbing or when.

Sergeant Jerry Galindo and Officer Al Nicolini went to the "party" when they received the report of a fight in progress. As they came upon the scene, Jerome Vernale, 25, 324 Texas street, San Francisco, was chasing Martin. Vernale yelled, "Get him, he has a knife."

Galindo followed Martin to 40 Goethe street where he jumped over a fence. He told Martin to come out, and the man, who works as a painter, obeyed. Asked if he had a knife, he replied "no." Galindo later went back to the scene and found a six-inch hunting knife next to the spot where Martin had been hiding.

Terry said the tumult started when one of the men at the party started making "overtures" to the host's girl friend. The host turned on the lights and decided to end the party. The guests didn't agree and a fight started. Martin, 5-9, 140 pounds, is said to have gone to his car, gotten the knife, and returned to the scene.

Then Kazarian "somehow" got slashed and Lombardi was stabbed while falling down the stairs.

WHAT'S DOING

W. L. Conkey, your Telephone Manager in Daly City

There's exciting news this month. We're introducing a handsome new telephone called "The Princess." Hardly bigger than your hand, the Princess takes only about half the usual space. When you lift the receiver, the dial lights up. Or at the flick of a switch, the dial glows as a soft night light so you can find the phone easily in the dark. The Princess comes in attractive colors that are perfect for any room in your home—white, beige, pink, blue and turquoise. This new extension phone costs just pennies a day after a one-time charge. You can see and try it out at our business office, and you can order it there or through your telephone service man.

***California State Fair** time is just around the corner again—Aug. 31 to Sept. 11. If you're planning to go, we hope you'll visit the Pacific Telephone exhibit there. From what I've heard, it's going to top our show last year—and that one won the Fair sweepstakes award for the most outstanding exhibit. You'll see some really interesting ways communications serve you and the nation. (The Kids will get a big kick out of hearing their own voices over a special phone.) So all the telephone people here hope you'll visit Pacific Telephone at the State Fair in Sacramento and see how we're working to serve you and your family.*

New home builders are finding it's a good idea to start planning for telephones right from the blueprint stage. That way, they can have built-in wiring all ready for the phones they want now—and the ones they'll add later. We'll be glad to help you or your builder with telephone planning for your new home, or for extension phones in your present one. Just give the business office a call: there's no obligation, of course.

Pacific Telephone

Statement By Michael C. Callan

TO THE VOTERS OF DALY CITY:

You have heard and read a great deal of argument for and against bringing Callan Park into Daly City.

Putting aside all theory and statistics, we think there are ten good reason—important to you personally—why you should vote for annexation:

1. Your property tax rate will be lower. This will be so because the planned shopping centers will bring in enough sales tax to pay for all added city service, with a surplus to help reduce the property tax rate.

2. Even if you do not own property, you pay property taxes indirectly as part of your rent—and you may possibly own property in the future.

3 The added sales tax income will not be caused by a higher sales tax. It will be paid by people from outside Daly City who will come to these regional shopping centers and pay a tax into the Daly City treasury.

4. With more people in Daly City, the City's share of state gas tax and other state money will be increased to meet added costs.

5. The construction of Callan Park and the operation of the shopping centers will provide more jobs. This is important to you even if you have a job. Full employment reduces county welfare costs (thus reducing taxes); and full employment means more buying. More buying helps every business in the city and creates still more sales tax revenue to support city services.

6. With more income, the city will be able to provide better police and fire service, more parks and recreation, and whatever other services the people want. In short, Daly City can be a safer and better place in which to live, without increasing taxes.

7. The schools will benefit by having a better tax base. Actually, however, the schools are not directly affected by the election. Callan Park will be built either in the county or as a part of Daly City, and the schools will benefit either way.

8. A bigger city will be better able to find a way to provide satisfactory local transportation.

9. A bigger city will have more political power to be used to get fairer treatment for Daly City from the federal, state and county governments.

10. This is the last chance for Daly City to expand. This is the last big area which can be annexed. A vote against annexation is a vote to doom Daly City to its present size and make-up—with no further opportunity to add income producing regional shopping centers to the tax advantage of the City.

Your vote is important. The opponents of annexation will be out in force on election day. It is not enough that those who want a bigger and better city should be with us in spirit. They must say so at the polls.

This annexation is to your direct personal, financial advantage for the reasons stated above. To be sure you get these advantages, be sure and vote on August 16—and please vote YES.

Michael C. Callan

Vacation Bible School Schedule At Bethel Lutheran

On Monday, August 15, the Vacation Bible School will begin at Bethel Lutheran Church, 2525 Alemany boulevard. Classes will meet Monday through Friday from 9 a.m to 11:45 a.m., and close on August 25. "God's Children Pray" is the theme of the lessons emphasizing the duty and privilege of prayer. Handicraft, songs, and film strips are included in the program. All children of Sunday School age are welcome to attend. The pastor, the Rev. Herbert P. Schroeder, will conduct the opening devotion. Mrs. William R. Brown is in charge of the school.

The enrollment and attendance will be under the direction of Mesdames John Walker, Arthur Sauer and Ralph Carmann.

The following teachers will serve in the respective departments: Nursery: Mesdames Robert Boyd, John Brooks, and Ernest Tenorio. Kindergarten: Mesdames Joseph Matranga, Jessica Hatten, and Charles Weaver. Primary: Mesdames Eldon Currie and Frank Moser. Junior: Mesdames William Brown, Vernon Pulliam and John Valeskie. Mrs. Harold Seipel will be in charge of the Jnnior High department.

A large enrollment is anticipated.

Parks' Naturalist Program Has Good Attendance

Park Naturalist Program of the San Mateo County Parks and Recreation Department served 24 groups involving 1615 students in nature study talks, walks, and outdoor education and recreation programs over the past two weeks.

The program is conducted in the following County parks: Huddart, Memorial, and Junipero Serra Parks.

The groups served involved leaders of the various youth groups in the county conducting day-camping programs such as the Sequoia Girl Scouts, Sequoia YMCA, Daly City Recreation Department, Central San Mateo Girl Scouts. Ladera School participated in a nature hike. The overnight family campers in Memorial Park participated in the nature hikes, talks, and outdoor movie program.

Marvin Kolber, Park Naturalist, will speak with the youngsters attending the Day Camp Program for the Handicapped Youngsters of San Mateo County being held at Coyote Point Park.

CONTINENTAL ambassador of fun, Count Popo De Bathe, will clown at the San Mateo County Fair, August 5-13, "Daly City Day" at the Fair is Saturday, August 13, at which time Miss Daly City (Bonnie Jensen) will preside and the Daly City Municipal Band, George Brenner conducting, will present a concert.

Art Colvin

Art Colvin Says

BUSINESS IS TERRIFIC

WE Need More Homes to Sell

We sold more resale homes in Daly City in 1957-58-59 than any other re-sale office . . .

So be wise! For fast action, top cash price, deal with the leader.

Art Colvin Realty & Insurance

1999 Junipero Serra PL 5-1000

City Councilman

(Continued from Page 1)

itself and go into bankruptcy.

"On August 1, I attended another discussion on the annexation at the Westlake Improvement Association clubhouse. It was much like the one previously held, and at this time I was able to get a copy of the 'United Citizens Report.' After reading the report, which incidentally uses figures of 1957, I can only report that it was put together by a person or persons that are really themselves uninformed. They have attempted to utilize these figures to scare the people of Daly City—that: 1) their tax rate will skyrocket, and 2) the city council have used no basis of facts to come to their decision.

"Most of the arguments against the annexation revolve around this 1957 report, and the figures of per capita tax. If one were to match these figures against today's (1960) per capita tax figures of Daly City, it would prove beyond a doubt, that through growth and annexation, taxes are reduced. They have even included taxes and items in their report that the people of Daly City do not even pay. It is comical in one sense and seriously sad in another. Comical from the standpoint of knowing what the true figures are, and watching how the erroneous ones are calcuiated and projected. Seriously sad because the ringleader or ringleaders are either so uninformed, so full of personal hatred, and so well paid, that literature and statements such as have been made, are circulated about the city, and the city council is powerless by law, to send out to the citizens the true facts of record.

"Finally, the 'United Citizens Report' notes that it has been verified by an attorney and a CPA. Why wasn't this report signed by these gentlemen as per their code of ethics?"

Two Hour Parking

(Continued from Page 1)

In other business, the Council:

Decided to contact Washington and Associates on the evening they were to appear to discuss the water survey report. Councilman Micheal DeBernardi asked that this be placed on a later agenda as the City Engineer, City Manager and council had not time to read the extensive and lengthy report.

Filed a letter asking for approval of additional space in the War Memorial Building for the Public Works Office.

Approved $806.16 from unappropriated funds to pay Finance Department personnel for overtime. The overtime comes about once every two years as the employees re-organize the accounts of the water department.

NEW STUDENTS

(Continued from Page 1)

obtained by contacting the individual schools. Students living East of Junipero Serra will attend Jefferson High School, students living West of Junipero Serra will attend Westmoor and students living in Pacifica will attend the afternoon session at Oceana.

The opening day orientation program is designed for students new to the high school. Regular students in attendance last year need not report until September 12 when instruction begins for all students.

Possible Skull Fracture For DC Man Who Fell

"Not a serious injury" was the medical report of the injury to the scalp of Herman Hollenbeck, 48, 55 Templeton avenue, who was, according to Officer Matthew Murray, "drenched with blood from head to toe."

Murray arrived at the Hollenbeck residence at 8:30 p.m. last Sunday and found the man standing in the doorway, covered with blood. He believed Hollenbeck was suffering from a fractured skull and had him transported to Mt. Zion Hospital by Peninsula Ambulance. Hollenbeck had fallen in the basement of his home.

W'lake Terrace Needs Crusade Drive Workers

An urgent request for volunteers to handle the United Crusade Drive in Westlake Terrace is being made to all the residents of that area. A neighborhood chairman and assistant solicitors are needed to handle the drive which has been started in most of the districts in northern San Mateo County. Since Westlake Terrace is such a new part of Daly City it is important that it have volunteers for representation in the drive.

Anyone who can give a little of their time and talents would be most appreciated by the section chairman, Mrs. Lyn Martin. Please contact Mrs. Martin at PL 5-9468.

NEW and bouncy singing sensation, Peggy King, and The Boys will be featured at the San Mateo County Fair and Fiesta. The Fair offers entertainment for the entire family. It runs August 5-13 in San Mateo.

Eagles' Picnic Set August 28 Near Woodside

Daly City-Colma Eagles will stage their 52nd annual family picnic on Sunday, August 28, at Skippers Park near Woodside, President Herm Kalinin announced today.

Tickets are $1 per adult and children will be admitted free. There will be free beer for adults and free ice cream and soft drinks for the youngsters. Plenty of games and prizes and good food should make for an enjoyable outing. Dancing will be featured from 1 to 6 p.m.

All officers of the Aerie are now selling tickets and ducats will be available at the gate.

Kalinin said the picnic site is about three-tenths of a mile from Searsville Lake. Picnicgoers can reach the park by going south on Highway 101 to Woodside road, then proceed on Woodside road to the Pioneer Hotel turn off to Searsville.

Skyline Chapter Of B'nai B'rith Schedules Dinner

Skyline Chapter B'nai B'rith has moved its meeting place to the Lake Merced Sports Center at the entrance to Harding Golf Course in Lake Merced.

For the first meeting to be held there, the women have planned a kick-off dinner for the Harvest Ball, 7:30 p.m. Tuesday, August 16.

Admission price of $1.50 includes an Italian dinner and a ticket to the Golden Harvest Ball. Program will include various games for the evening, and there will be several door prizes.

Arrangements for the dinner are under the direction of Mrs. Gary Kroner and Mrs. Leonard Mayer. For reservations, telephone PL 5-8926 or PL 5-1039.

A short business meeting will follow immediately after the dinner.

Californians annually consume about 130 quarts of milk per capita.

B'MOOR POST'S MELINEC KILLED AS CARS COLLIDE

Steve Melinec, 56, popular Broadmoor American Legion Post 824 member and past president, was killed in a three vehicle collision on the Bayshore freeway last Saturday at 1:30 a.m., while his wife Nan, 49, was critically injured and is at San Jose Hospital.

Melinec, 1147 Nimitz drive, Broadmoor, was a crossing guard for Daly City. He was travelling South on the freeway near Santa Clara when an auto, travelling North, swerved across the lanes causing a head-on collision. Both the driver and his wife, a passenger, in the other auto were killed. A milk truck in back of Melinec's auto also crashed into the pile-up.

Sunset Nursery Open House Is Slated Aug. 17

Parents and their children are invited to an Open House to see the program of creative activity and outdoor play that pre-school children are enjoying this summer at Sunset Nursery School, a member of the San Francisco Council of ooperative Nursery Schools.

Come to the school at 4245 Lawton street near Great Highway on Wedesday, August 17, between the hours of 9:30 a.m. and 11:30 p.m. to meet the staff and see the type of program your pre-schooler could participate in this fall. For further information, call Mrs. J. Thomas, MO 4-7579.

Less than one and a half million persons resided in California in 1900.

PROCLAMATION

WHEREAS, the week of August 12 through August 19, 1960, has been designated by the Department of Health, Education and Welfare of the Federal Government as Social Security Week, and

WHEREAS, it is in the interest of the people of Daly City that their attention be directed to this week so that suitable inquiry can be made should they desire to do so concerning matters relating to the Social Security Administration.

NOW, THEREFORE, I, FRANCIS P. PACELLI, Mayor of the City of Daly City, do hereby proclaim the week of August 12th through August 19th, 1960, as Social Security Week in Daly City, and further, invite all citizens of Daly City to inquire of the Social Security Administration during this week for such information as they may desire concerning the administration of this program by the Federal Government.

DONE this 8th day of August, 1960, in the City of Daly City, County of San Mateo, State of California,

FRANCIS P. PACELLI
Mayor of the City of Daly City

Peggy De Castro And Partners Stars Of Fiesta Bowl Review

As San Mateo County looks ahead to the final weekend of its annual Fair and Floral Fiesta, record throngs continue to pour past the turnstile, making this year's Fair the most successful as well as the most lavish in its 26-year history.

Attendance through Tuesday topped the 62,000 mark, and weather predicted for the weekend is expected to favor the last three sessions of the annual event. Daly City reigns the final day of the Fair, Saturday.

The magnificent floral and garden exhibits in the Hall of Flowers continue to be the highlight of the Fiesta. Visitors and exhibitors alike have observed that the displays, freshened daily, surpass all previous efforts in the floral show that now ranks among the finest in the nation.

Peggy De Castro and her partners, Vern Rowe and Bobby Navarro, lively trio appearing at the Fair following hit performances in the East and in Las Vegas, headline the twice-daily (4 and 9 p.m.) Stage Review. The hour-long show also features Comedian Ben Wrigley as master of ceremonies, the fabulous Orwyns, the Mason-Kahn Dancers and Bud Moore's Orchestra.

The Junior Livestock Show, one of the finest of its kind in California, reaches its climax today with the 4-H Livestock Auction at 1 p.m. Local businesses and private citizens bid for the prize beef and sheep, following the final judging.

The Industrial Products Show, presented in the Fiesta's handsome new building, is giving visitors a sample of the area's industrial might.

Post-time for par-mutual racing at Bay Meadows is 12:30 daily.

Police Athletic League boxing and a program of barbershop harmony highlight today's entertainment. Tomorrow night, the San Mateo Social Security office will offer cash prizes to the oldest retired man and woman in the county receiving retirement benefits as part of the celebration of the Social Security Act's 25th anniversary and senior citizens night.

A contest for mutts of all sizes and shapes and a program of Japanese Judo by Tonys of Holland are scheduled for closing day entertainment.

COUNTY CANCER SOCIETY'S FUND REACHES HIGHEST TOTAL EVER

The continuing generous contributions of San Mateo county residents, notably those in Westlake and Daly City, have boosted the county Cancer Society's 1960 fund total to an all time high of $115,137, today announced President Mrs. Edward H. Jenanyan.

Adding to the $96,300 total resulting from the door-to-door drive is $18,837 received in memorials this year.

"It seems we are always voicing our appreciation and expressing our gratitude to the residents of San Mateo county—among whom is our corps of 5,000 dedicated workers — for their efforts which make this fund possible," she said today. "And how very wonderful it is that we are in this enviable position. It gives us proof that our own residents in this county are alert to the danger of cancer to themselves and their loved ones and are doing more than their share to combat it and to seek the ultimate conquest of cancer."

Funds are still being received at the Cancer Society headquarters at 320 Third avenue in San Mateo.

"Our efforts are year-round in promoting public education, raising funds and in helping cancer victims to the utmost of our ability," explains Mrs. Jenanyan.

Continuing effort is being spurred in promoting widespread education in cancer through high schools. A revised version of a 68-pagebooklet, prepared by the American Cancer Society for use in high school health courses, has been received at the county branch of ACS. It is to be distributed to the general public for the first time, having been reserved previously for classroom use only.

Entitled "Youth Looks at Cancer" the publication has 20 illustrations and charts. An estimated 1,300,000 pupils have used it in their studies nationwide.

Highway Patrol Looking For Career Officers

Captain John Kennedy, commander of the California Highway Patrol's Redwood City Area, said today the patrol is looking for young men from 21 to 31 years of age who are interested in a career in professional law enforcement.

"A civil service examination for state traffic officer will be held throughout California on September 24," he declared, "I will be glad to talk with any young man who is interested and thinks he may meet the requirements."

Captain Kennedy noted that in addition to the age limit, the applicant must be a citizen of the United States and a resident of California. He must have a high school education or its equivalent, good health, normal hearing, and normal vision that may be corrected by glasses. Height limits are five feet nine inches to six feet six inches.

"Application forms for the examination are available at our office at 500 Jefferson avenue, Redwood City, Captain Kennedy said. The final date for filing the application is August 26.

DALY CITY-Colma Lions Club and the local Parks and Recreation Department made it possible for 140 children to go fishing at Lake Merced last Wednesday. Fish ranged in size from a foot to an inch or two. Many of the fisherboys and girls caught their limit of five trout.

Veteran Firemen's Association Vote Approval Of Annexation

Dear Mr. Bradshaw:

The Daly City Veteran Firemens' Association, an Association of retired and active members of the Daly City Fire Department voted their approval to endorse the Callan Park Annexation this week.

The Veteran Firemens' Association which was organized in 1926 and now consists of 126 members has endorsed all projects and endevers in Daly City which were proven beneficial to the Citizens of Daly City.

Many of our members joined the Fire Department in 1907 and took a great part in forming the structure of a City called "Vista Grande," in 1911 the area was incorporated into Daly City.

The members of our Association were very active in 1914 promoting interest in passing the Water Bonds for the construction of our water system, incidentally the only activity making money for Daly City at this time. In 1936 our members were again active in supporting the bond issue for the construction of the swimming pool and gym at the Jefferson Union High School. In 1948 the members gave full support to the Annexation of Westlake. The Veteran Firemen' Association gave full support to the bond issue for the construction of the Daly City War Memorial Building, the Fire Department Improvement Bonds and to every other issue that was to benefit the City of Daly City and its Citizens.

It is felt by our Association that the Annexation of the Callan Park Area is Daly City is a great step forward. The same conditions existed in 1948 as they do now in regard to annexation of Callan Park, the only diference is the year and name of the area to be annexed. The cry is the same from the opposition, "higher taxes, the older section will have to pay for improvements in the new area and etc." These fears were unfounded then as they are now, in fact the taxes are less now then they were in 1948. All improvements of the Westlake Tract were completed without cost to the City of Daly City. These improvements included water mains, streets, side walks, gutters, fire alarm, storm drains, sewers, street lights etc.

The Annexation agreements with the builder of Westlake were not as comprehensive as the annexation agreement with the builders of Callan Park.

The members of the Veteran Firemens' Association can see the many benefits that the City of Daly City will derive from the Annexation of Callan Park to Daly City and urge its passing at the polls on August 16, 1960, making the expansion of our City a reality.

Writer Questions Motives In Tax Rate Changes For School District

Dear Mr. Bradshaw:

August 1, 1960, the Jefferson Elementary School District voted to retain the same basic tax rate of $2.10 which used in 1959-60. This was done in spite of a higher budget, more schools going into operation and a rapidly growing school enrollment. Why then, on April 18, 1960, did Trustee Tom Noonan make the following motion? "Mr. Noonan moved, in view of the recent annexation (Callan Park which was originally annexed by the City of Daly City on April 11) and the possibility of reduced facilities to our charges, that the board rescind the policy adopted in 1958 regarding tax rates, and instruct the administration to prepare two budgets, one on the basis of maximum permissive rate of $2.50 plus penalties and one on the basis of $2.20 plus penalties."?

The above action created the impression, that the Callan Annexation was causing higher school taxes. In 1958 the voters of this District authorized a basic tax rate of $2.50 plus penalties. Mr. Noonan was opposed to this increase at that time. On April 18, 1960 Mr. Noonan reversed himself without any basis in fact and asked for a higher budget.

It is my personal contention that Mr. Noonan did this for the sole purpose of obtaining misleading publicity for his personal campaign against the Callan Annexation. As a home owner, taxpayer and parent of the J.E.S.D., I strongly protest this use of our publicly elected body of school trustees.

Sincerely,
Oaphe A. White
Mrs. J. D. White

LOCAL MAN SAYS CITY IS BEING ROBBED

Editor, The Times:

Daly City is being robbed! Deliberately and maliciously robbed.

The culprits are talking about fictitious tax increases and fictitious school dangers. They are misrepresenting clear, unquestionable facts that should be allowed to speak for themselves.

They don't want us to add Callan Park to Daly City because "it will be a burden to the city."

They don't know what they are talking about. Or, if they do, they don't want the voters to know the whole story.

Callan Park will be a big step toward making Daly City the most important city in San Mateo County. Callan Park will more than double Daly City's retail business. Callan Park will add nearly one-half million dollars PROFIT every year to the Daly City tax treasury.

The election August 16 could make Daly City a better city. As one Daly City voter in favor of making Daly City a better city, I will vote "Yes" on August 16.

Sincerely,
Rodger Moreschim
597 Lausanne Ave.
Daly City, Calif.

'Vote Yes On Callan Annexation — And Keep Taxes Down'

Dear Editor:

I am a voter and taxpayer in Daly City, and I wish to suggest a slight amendment to some of the campaign billboards I have seen in Daly City.

I suggest: "VOTE YES, ANNEXATION. KEEP TAXES DOWN."

I hope that Mr. Walker will think about that change for this reason: Callan Park will gross over one million dollars in taxes for Daly City very year and it will profit us several hundred thousand dollars every year. That will create a tax cushion so that we will have evtra income to protect us against tax increases.

I don't expect that the city will lower taxes when Callan Park comes in, but at least we might be able to build up a reserve fund so that if a rainy day comes and the city needs money, then they won't have to pass another tax increase on to the taxpayers.

I'll repeat my new campaign slogan: "VOTE YES, ANNEXATION. KEEP TAXES DOWN." I think that makes more sense.

Sincerely,
J. M. Gilpatrick
805 South Mayfair Ave.
Daly City

Will Vote 'Yes' On August 16th Says Policeman

Dear Editor:

It was about 4:30 on a Saturday afternoon when I, Patrolman No. 17, had the pleasure of speaking with Julius Castelan, a civil engineer, concerning his side of the annexation story, and the facts as he related them. It was an interesting and informative interrogation period highlighted by his courteous and complete answers to all my questions.

I was, and am, interested in the facts on both sides of the issue. I felt it is my duty to ask "all sorts of questions" of representatives of both factions, and accordingly shifted the scene of my interrogation to the Vote Yes Headquarters. Having done so, and without being "won over" by anyone, but after sober contemplation of all the facts as presented, I have reached my decision on how my ballot is to be cast on August 16th.

Not as Patrolman No. 17, but as private citizen, William J. Schumacher, I shall cast a "thinking man's" Yes vote on the Callan Park Anexation question.

Very truly yours,
William J. Schumacher

Claims Children Political Pawns In Annexation

Dear Mr. Bradshaw:

Our children are being used as political pawns, and I, for one, do not approve. I urge the partisans on both sides of the Callan Park controversy to PLEASE LEAVE OUR SCHOOLS AND OUR CHILDREN OUT OF POLITICS.

The simple fact is that neither side knows for sure what this annexation will do for our schools. Superintendent Foster has said exactly that, in spite of numerous statements by the Citizen Defender.

Regardless of the outcome of the election on August 16, Callan Park will be built. If it is built in the county, then the children there, just like the children on county land in Broadmoor and Colma, will still have to be educated.

Nobody knows any more than that, and people who tell us for sure that we will or won't have double sessions are trying to mislead us and use our schools for their own purposes.

Both sides are guilty. Callan Park supporters have directed leading, limited questions at experts. They are after specific answers rather than enlightenment from the experts. On the other hand, the Citizen Defender is misquoting to prove its side.

PLEASE, let's not speculate about our schools for political gain, and let's leave our schools out of politics.

Sincerely,
R. C. McDonnell
12 Eastgate Drive

Mayor Pacelli Applauded For His Courage

Dear Mr Bradshaw:

I would like to applaud Mayor Frank Pacelli for his courageous explanation of some of the issues in the Callan Park election.

When we voters see contradictory statements of "fact" in an election campaign, we have no way of knowing what to believe. It was the duty of the Mayor to set the record straight.

I admire Mayor Pacelli for risking his political future in order to give the voters the facts. I appreciated his explanation of the misrepresentations that he saw being circulated in the city by the opponents of annexation.

As one Daly City voter, I congratulate Mayor Pacelli for his courageous action.

Respectfully,
Margaret Murphy
830 North Mayfair
Daly City, Calif.

Trustees Letter To Mayor Cites School Board Position

(Ed. Note: This letter was sent to Daly City Mayor Francis Pacelli with a copy being sent to the local press. The following is presented as public information.)

Dear Mayor Pacelli:

The Board of Trustees of the Jefferson Elementary School District is deeply concerned with a recent communication reported in the Westlake Times, indicating that "regardless of the Callan Park annexation and any change in its school jurisdiction, Daly City schools face double session anyway." The Jefferson Elementary School District **will not** be on double session during the coming school year, and we can say with certainty that unless there is a change in our school district boundaries, we shall not be on double session for at least the next three years.

You may have heard that we were invited to attend a meeting of the County School District Organization Subcommittee on May 24, 1960, to discuss school facilities for the proposed Callan Park area. The proposed Callan Park area is now within the South San Francisco Unified School District.

However, at the May 24, meeting, representatives of the South San Francisco Unified School District strongly objected to educating the children should this area be annexed to Daly City. Therefore, we indicated that we would accept this area into our District should it be the decision of Daly City to approve the annexation, and should it be the wishes of the Board of Supervisors to assign this area to Jefferson.

We have been quoted as volunteering to accept this area: This is erroneous. We should make it clear that in no way did we volunteer to service this land. Indeed, should annexation to Daly City be disapproved by the voters, we would oppose assigning the area to Jefferson's jurisdiction.

As you will appreciate, delay in school planning can only result in educational hardship. Consequently, due to the May 24 meeting, and in order to be in control immediately of all possible school issues which might exist in the proposed Callan Park area, we met on July 18 to apprise ourselves of the situation.

At our July 18 meeting, which has subsequently been distorted and misunderstood, it was our studied opinion that should the proposed Callan Park area be assigned to Jefferson as of July 1, 1962, we might expect 1,000 children on double session. These are basic facts which would apply to any contemplated addition of this magnitude to our District.

You share with us, we are sure, our faith in the public educational system of our country. We are confident that you will welcome the opportunity to know this information, and that you will accept it in the democratic spirit for which it is intended so that you may clearly present our situation in our behalf.

Sincerely,
Frank R. Verducci
Thomas F. Noonan
Katherine R. Mullen
O. Wayne Douglas
Joseph Lewkowitz

School District

Resident Lauds 'Obstructionists' For Referendum

Dear Mr. Bradshaw:

Recently Mayor Francis Pacelli sent a letter to his constituents stating that a group of "well-organized obstructionists have persisted in misleading and untrue claims against Callan Park." He went on to say that 17,000 jobs will be created during the next five years. Mayor Pacelli concluded by saying "we are proud of Westlake."

Mr. Michael Callan has stated publicily that he will build Callan Park irrespective of annexation to Daly City. Therefore, the 17,000 jobs will be created whether or not Callan Park is annexed to Daly City.

The very fact that the people will have their right to vote on Callan Park is a direct result of the work done by the so-called "obstructionists." It was the Citizens Committee For Good Government that circulated the referendum petition to put the Callan Park annexation up to a vote of the people.

As far as Mayor Pacelli's pride in Westlake is concerned, it seems to me that a dedicated mayor would be proud of all of Daly City, not just Westlake.

Sincerely,
David L. Plyer
164 Mirada Drive,
Daly City

Asks Anti Group To Show Figures On Callan Costs

Dear Mr. Bradshaw:

I am concerned about the FACTS on the Callan Park election.

The "Yes" committee says that Callan Park will gross over one million per year and give the city $400,000 profit every year. The "Yes" committee gives us a complete breakdown of exactly what money will come in to the city and what money will be spent by the city.

The opposition's advertising says that Callan Park will raise taxes, but it is vague about HOW taxes will go up.

I want them to come out, exactly like the "Yes" committee has, and tell us where they get their figures. Are they all unsubstantiated fears, or do they have some studies and statistics to back them up?

Sincerely, a concerned voter,
Mrs. Allen Foster
88 Skyline Drive
Daly City

San Mateo County Delegation Plays Major Role At State Capitol Republican Meeting

San Mateo County's delegation played a major role at the California Republican Convention and State Central Committee meeting last weekend at the State Capitol.

Assemblyman Louis Francis served as chairman of the Subcommittee on Elections and Reapportionment and as a member of the Platform, Resolutions and Rules Committees.

Senator Richard J. Dolwig, chairman of the Republican State Legislative Campaign Committee, conducted a seminar for California's Republican candicates on campaign organization, strategy, finances, legal details, publicity and advertising. He also served as a member of the Subcommittee on Economic Growth and Business and the Platform Committee.

Mrs. Lucille Hosmer of San Carlos, president of the California Federation of Republican Women, Northern Division, was selected as the presidential elector from San Mateo County. There are 30 presidential electors in the state.

On Saturday, the convention adopted an 11-plank platform which included the proposals presented by Assemblyman Francis, criticizing the present administration for unnecessary taxation and demanding that the estimated surplus in excess of $130,000,000 be given back to the people by reducing their taxes; and attacking the present administration for its "wasteful Bureaucracy" by creating 20 new commissions, boards, and agencies which impose upon the tax-payers a new and unnecessary burden of taxation and tends to destroy our Republican form of government.

Other Francis planks included in the platform were those supporting strong and effective laws to combat and control the menaces of narcotics and the publication, sale and wide distribution of pornographic literature, particularly to our children; working for the restoration of cross-filing at the direct primary election to return to the people their right of choice for candidates at the primary, regardless of party affiliation; urging the State Legislature to reapportion legislative districts next year so as to secure fair and equal representation to all of the people of the state, regardless of race, religion, or political affiliation; proposing a complete revision of the elections code; and consolidating elections to reduce expense.

The State Central Committee, consisting of 711 members, adopted 7 resolutions on Sunday, of which 4 were by Assemblyman Francis. The following Francis resolutions pleged the Republican Party:

1. To unanimously agree that the existing state surplus be given back to the people in the form of tax reductions and to secure the enactment of legislation reducing taxes and eliminating unnecessary taxes.
2. To continue efforts to eliminate unnecessary state agencies and to prevent the further growth of bureaucracy in the state government.
3. To continue an aggressive war against the importation, distribution and use of illegal narcotics and to demand an enactment of strong and effective laws that will destroy the narcotics menace in the state.
4. To work for the enactment of legislation providing effective safeguards against the sale and distribution of pornographic literature, particularly to our children, and to stamp out the existing smut racket in this state.

Assemblyman Francis was also selected as the Northern Californian to make the seconding speech for the nomination of the new state chairman, C. John Krehbiel, Pasadena insurance executive. Mrs. Hosmer made the nominating speech for Mrs. Ruth Watson of Berkeley who was elected women's vice chairman for the Northern Division.

San Mateo County members who attended the convention and the State Central Committee Meeting were as follows: Mrs. Florence Pausner, Mrs. Betty Fahs, Mrs. Betty Young, Mrs. Ted Youngdoff, and Assemblyman Francis, San Mateo; Casper Weinberger and Eugene Brenner, Hillsborough James Richmond, Millbrae; Mrs. Marie Senaldi, South San Francisco; Mrs. Roberta Drye, Daly City; Dr. J. C. Miles, Pacifica.

Mrs. Lucille Hosmer and Ray Marsh, San Carlos; Mrs. Louise Lake, Floyd Granger and Assemblyman Britschgi, Redwood City; Senator Dolwig, Atherton; and Mrs. Annabelle Young and Mrs. Betty Cutten, Woodside.

Legion Auxiliary Again Sponsors Daly City Girl

Miss Sandra Smith, 604 Stoneyford drive, Daly City, an 18-year-old student nurse beginning her second year of nursing school at San Jose Hospital, will again be sponsored by Daly City Unit 410, American Legion, together with the San Mateo Voiture of the 40 et 8. Sandra has received a $300 award toward her training from the Department of California, American Legion Auxiliary Nursing Scholarship last year. Daly City Unit 410 is extremely proud of Sandra, and the scholastic record she has kept all year, on top, at the San Jose Nursing School.

The Post-Unit Pot Luck, long table game fun nite, will restart in September, opened to the public.

Rose Giorni, newly elected president of Daly City Unit 410, conducted her first meeting of the new year in a most competent and gracious manner August 4, announcing the names of her new chairman for the coming year:

Americanism-Education, Jean Chauses; Child Welfare-Girls State, Vivian Pahlka; Civil Defense-Nation Security, Catherine Foreman; Community Service, Kathleen Matzek; Constitution-Bylaws, Irm Magnuson; Junior Activities, Frances Diltz; Legislature, Olga Bordson; Membership, Ann M. Walters; Pan-American, Frances Diltz, Poppies, Lucille Most; Rehabilitation, Anne Welch; Publicity, Pat M. Fawcett; Parliamentarian, Irma Magnuson.

Another use of Bossy's old bones A tar oil distilled from cow's bones, which produces an odor offensive to deer, may be spread about grain fields to discourage grain damage by foraging deer.

No Vacations For Human Distress, Say Vincentians

Human distress and need take no vacation. With this understanding, the mid-summer work of Vincentians throughout the San Francisco Bay Area shows no let-up. In order to meet the needs that come up, useable clothing, furniture, appliances and baby goods are needed by all local groups of the Society of St. Vincent de Paul.

Commenting on the summer program of Charity, C. Harold Caulfield, Archdiocesan President of Vincentian activity, said: "The vacation period brings no let-up or relaxation for the needy and distressed family. Thus, we appeal to all to give us their useable discards so that we can convert these materials to forms of help and service." Donors can call their local SVdP Salvage Bureau for prompt pick-up service.

Joann Spinetti Of DC Leaves For 'Caravan'

Joann Spinetti, 16-year-old Mariner Scout from Ship 13 in Daly City, packed her bongos, bags, and bathing suit and headed for the High Sierra Caravan last Monday for a two-week stay at four different Girl Scout camps.

JOANN SPINETTI

She was one among 40 Bay Area Girl Scouts to be chosen for this trip which will enable her to visit the camps at Deer Lake, two Sentinels, Sandierra, and Sugarpine.

A junior at Jefferson High School, Joann is also Indian mascot for the Jefferson cheering leaders.

Joann is the daughter of Mr. and Mrs. Joseph Spinetti of 57 Muirwood drive.

10 BIG PRIZE CATEGORIES!

Every pet has a chance to win. Come down to Westlake Shopping Center on Wednesday August 17 and register as a participant, at the booth in the Shopping Court. No charge for registration. Then bring your pet to the parade on Friday August 19th at 1:00 P.M. YOU MUST REGISTER, HOWEVER, in order to compete.

SPECIAL PRIZE!

LOVABLE FRENCH POODLE!

Will be given away at the Pet Parade. Anyone can win. Drawing tickets for the Poodle are free in the Shopping Court, August 17, 18, and 19th, until the Parade commences. YOU MUST BE PRESENT TO WIN!

Registration Day for Pet Parade is AUGUST 17th 10 a.m. - 9 p.m.

Register on Aug. 17th

OF ALL DESRIPTIONS ARE ELIGIBLE FOR PRIZES!

NEWCOMERS to Daly City at 98 Huntington drive are Dr. and Mrs. John Hickey. She is the former Beldora Tacke, daughter of Mrs. Elizabeth Tacke of Carroll, Iowa. John is the son of Mrs. Violet Hickey of San Francisco. They exchanged vows recently at St. Gabriel's Church with the Rev. Father Richard Mayo officiating.

Kaufman Studio photo

Police, Firemen Endorse 'Yes' On Callan Park

Another unanimous "Vote Yes" endorsement was entered in the ledgers of the "Yes" on Callan Park Campaign Committee last week.

President Charles Christian of the Daly City Police and Firemen Association announced the unanimous endorsement last Friday of the Callan Park Annexation by his association.

The Police and Fireman Association endorsement was followed by unanimous endorsements from the Daly City Fire Department and the Veteran Firemans' Association of Daly City.

The Daly City Chamber of Commerce also gave unanimous endorsement of "Yes" on Callan Park.

In addition, public support of Callan Park has been given by Mayor Frank Pacelli, members of the City Council and Planning Commission and over 810 Daly City residents.

The Republican Party of Jefferson, Madison, Monroe and John Quincy Adams is known today as the Democratic Party.

'Lit Cigarette' Campaign By Highway Patrol

The California Highway Patrol is joining in the battle to prevent forest fires by mounting a drive against motorists who toss lighted cigarets, cigars or matches out of their automobiles.

CHP Commissioner Bradford M. Crittenden said his officers are instructed to cite anyone they observe throwing any lighted substance on any road or highway outside of a business or residential district.

"This is an extremely critical year for forest fires," Crittenden added. "A match or a smoke tossed from a car can touch off a blaze that could burn hundreds of acres of timber, destroy thousands of dollars worth of private property, and cause loss of human life.

"Our enforcement activity will not, however, be confined to mountain and forest areas. The law applies throughout California and if we can educate the public not to throw lighted material from their cars anywhere they will be less likely to break the law in an area where great damage can be done."

ST. CLAIR HEADS 250 MEMBER GROUP

'DEMOCRATS FOR CALLAN PARK COMMITTEE URGE YES VOTE

An organization of over 250 Democrats from Daly City has been formed under the leadership of County Democratic Committee member Bob St. Clair to support the annexation of Callan Park to Daly City.

St. Clair and the "Democrats for Callan Park" committee urge all registered Democrats in Daly City to support the annexation of Callan Park as a means of keeping taxes down and as a big step forward for Daly City.

St. Clair, Councilman and Vice-Mayor of Daly City and Chairman of the Northern San Mateo County Sanitation District, is one of the most active and popular Democrats in San Mateo County. The big San Francisco 49er tackle and team captain received more votes for the county Democratic committee than any other person in San Mateo County.

He lashed at interest groups who oppose the annexation for personal profits and urged the voters to realize that special interests have taken advantage of innocent but misinformed people and have used them to carry on the battle against Callan Park.

St. Clair and his committee pointed out that the Callan Park area is not suitable for industrial development and therefore, if the taxpayers are to benefit from it, they must annex it as a balanced community with adequate commercial development.

"In voting 'Yes' on Callan Park we are creating a city of 16,500 people with all public services provided in advance," St. Clair said. "We are broadening the tax base just as we did in Westlake—we are creating 16,700 more jobs over the next five years and a payroll of 90 million dollars."

He explained that his Democratic Committee has examined the Callan Park annexation contract drawn up by City Attorney Paul Hupf and that they agree with Mayor Frank Pacelli that it is the best contract ever obtained by the City of Daly City.

St. Clair said that the master-planned annexation of Callan Park on the August 16 ballot is Daly City's best opportunity to take advantage of this area to broaden the city's tax base and guard Daly City taxpayers from future tax increases.

He announced that members of the "Democrats for Callan Park Committee are:

J. B. Adams, William Adams, Dino Agristi, Anthony Aiello, Eva Aiello, Evelyn Albert, LeRoy J. Albert, Esther Appleton, Remegio Archuleta, John W. Ayers.

Phillip Badran, Joseph B. Baker, Angelo Baldelli, Norma Baldelli, Donald E. Barnett, Guido A. Barnoli, Margaret J. Becker, Ben Belasco, Ledo Belluomini, Mrs. Ledo Belluomini, Angelina Bergstrom, Helen M. Bergstrom, James Bergstrom, Fred Bertetta, Fred Bertetta Jr., Joseph N. Bonavito, Al Borelli, Mrs. Al Borelli, John T. Boyle, Lillian Boyle, Janis Buchanan, W. O. Bullock, Mrs. W. O. Bullock, Joseph Burlund.

Robert Callan, Rose Callan, Mrs. C. Cameron, Louis E. Capurro, Mrs. Louis Capurro, William R. Cardiel, Dolores Cardinale, John Cardinale, George M. Carli, Frank Caruso, Irene R. Castagnetto, Rene T. Chapot, Arlene Ciarlanti, Robert John Ciarlanti, Tony Ciarlo, Herman Cohn, Marian Cohn, Mac Cohn, Mrs. R. W. Colburn, Audrey K. Conaty, R. Crawford, Thomas Croy, Mrs. Thomas Croy, Henry C. Curusis.

Catherine Daggett, William C. Dahl, Jack DeBella, Elmer H. Dederman, Antonio De Jesus, Mrs. Del Pelzel, Lucille M. Demro, Robert J. Dennis Sr., Keith Dewianey, Joseph Bernhardt Diestel, Frank Digirolamo, Emily Drago, Mrs. E. Durham, Richard Dwyer.

Mrs. James C. Eastman.

John Faustino, Mrs. John Fetta, Caroline Field, Attilio Figone, Bernice Fioresi, Lawrence Fioresi, Roger P. Fisher, Mrs. Roger Fisher, William Fleming, Ruth Fogleman, Elio Fontana, Ray Forcina, Roy W. Foster, Frank G. Fowlie, Jeanne Fritz, Leonello A. Funai.

Olga Zago.

MISS LORRAINE JOHNSON WEDS SF's JOHNSON

Miss Lorraine Johnson, 286 Los Banos avenue, was married last Saturday to Harry A. Johnson, 292 29th street, San Francisco, in a ceremony at Immaculate Conception Church officiated by Father Efrem Trettel.

The bride is the daughter of Harry G. Johnson and Mrs. L. E. Beaulieu. She works at the Bank of America and is a graduate of Lincoln High School.

The groom is the son of Mrs. Leona Johnson. He is a graduate of Sacred Heart High School and San Francisco State College and is currently a marketing research analyst with the A. C. Neilsen Company.

Matron of honor was Mrs. Cheryl Bock, the bride's sister, while bridesmaids were Miss Linda Muhle Back, Mrs. Beverly Johnson and Mrs. Yvone Johnson. Connie Howard was the flower girl.

Best man was Edward Boss and ushers were Jack McCaffrey, Jack Moylett and Bill Rodrigues.

A reception was held at the Seven Hill Restaurant following the ceremony. Following a one week honeymoon in Northern California the couple plan to live in Inglewood, California.

Neil Assigned To Air Defense At Oregon Air Base

Lackland AF Base, Texas. — Airman Ronald G. Neil, son of Mr. and Mrs. F. G. Neil of 125 Alexander avenue, has been assigned to a unit of the Air Defense Command at Kingsley Field, Oregon for training and duty as an Air Policeman. He recently completed basic military training here.

Airman Neil is a graduate of John O'Connell High School of San Francisco.

Basic airmen at Lackland are selected for specialized training at technical schools on the basis of their interests and aptitudes. They are reassigned to the school after five weeks of basic training. At the technical schools they are given additional military training along with the technical instructions.

Upon completion of special technical training at an Air Force Technical Training Center, airmen are assigned to operational units of the USAF Aerospace Force.

DC's Thomas With Pacific Fleet

PEARL HARBOR, Hawaii—A Daly City Navyman is now serving on the staff of Admiral Herbert G. Hopwood, Commander in Chief, U. S. Pacific Fleet.

He is fireman Clifford J. Thomas, who reported for duty at the Admiral's headquarters, overlooking historic Pearl Harbor, on August 1.

Fireman Thomas is the son of Mr. and Mrs. Walter J. Thomas of 172 Miriam street. He attended Jefferson High School before entering the Navy. Thomas enlisted in the Navy in October, 1959.

The Pacific Fleet command is the largest naval command in the world, covering well over 80,000,000 square miles of area. It stretches from the West coast of North and South America to Asia, and from the North Pole to the South Pole.

Woman Fires Once -- Suicide

A 56-year-old woman comitted suicide at 817 Brunswick street on Sunday, sometime between 6:30 and 9:15 p.m., by firing a .38 caliber bullet through her heart.

Officer Matthew Murray said the suicide was an aftermath of an argument with her common-law husband of six years whom she claimed was "in love with another woman."

San Francisco policeman George Bonnano was at the scene when Murray arrived. Lying on the floor in the back of the hallway was Doris J. Kurtz. The Alemany Emergency Hospital Ambulance was at the scene and steward Elmer Lahr pronounced the woman dead.

The 54-year-old man said she had called him twice but had not mentioned suicide. He took a bus to the home but by the time he got there she was dead. He notified the police. The woman was unsuccessful in a suicide attempt in San Francisco in July of last year.

The African Hall of the California Academy of Sciences at San Francisco contains 29 habitat groups of African animals, many of them approaching extinction.

Seaside Resident Pronounced DOA At Hospital

Carl Stickan, 56, stopped his car while driving along 88th street and Junipero Serra boulevard last Friday at 4 p.m. and shortly thereafter was pronounced dead on arrival at Park Emergency Hospital.

Stickan, a Seaside, California, resident, reported to Central Emergency Hospital at 11:35 a.m. complaining of a diabetic attack. Officials there said he should go to Letterman General Hospital but he told his wife he "felt better" and didn't want to go to the hospital.

Officer Matthew Murray and an ambulance crew started to take him to Letterman after his wife phoned in that he had had a second attack. Enroute, it was noticed that his condition "was poor" and the ambulance headed for the closest hospital, Park Emergency. He was pronounced dead on arrival from a heart attack.

Young Girl Injured In Auto-Ped Accident

Sharon Gudelj, 12 years old, 94 Muirwood drive, was transported to Junipero Serra Hospital by Peninsula Ambulance last Tuesday afternoon following her running into a moving auto at Hillside boulevard.

The girl ran into the left front fender while not watching where she was going, according to her report and that of the driver, Stephen A. Passafiume, 67, 93 Bepler street, a maintenance man for the Jefferson Elementary School District.

Officer James Bergstrom did not cite the driver as he was traveling at a slow rate of speed and because of the girl's statement.

On an exploring expedition from Monterey in November, 1770 Captain Pedro Fages visited the eastern shore of San Francisco Bay.

San Francisco is the center from which mining enterprises in all parts of the world are directed.

Just started—and the savings are just terrific!

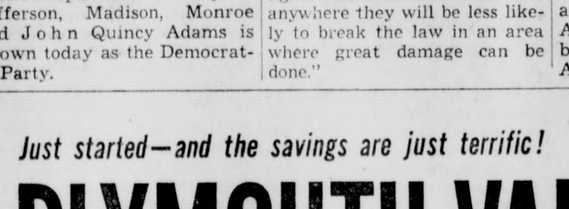
PLYMOUTH-VALIANT YEAR END SALE!

We're really "YES" men during this tremendous end-of-the-model-year sale!

DO WE HAVE wide choice of models and colors? DO WE MAKE the hottest deals in town? WILL WE GIVE high trade-in allowances? WILL WE MAKE on-the-spot, no-red-tape deals?

YES! YES! YES! YES!

WE'VE SLASHED VALIANT AND PLYMOUTH PRICES



$[illegible]

LITTLE LEAP

... OVER A BIG BOULDER

With Lou Lucia

Whither goest the weather.

We have noticed at beauty contests that the young ladies are always asked of what they think of Daly City and the answer is usually, "It's foggy."

But this could be carried farther. Perhaps the gals should say, "The fog here makes one think of the charm of London, the antiquity of Britain, the Golden Gate Bridge, and the peacefulness of the unknown."

"The fog is an unlimited character: he can charge and engulf a city with one grasp of his massive tentacles. He can leave a section of the city with a bald spot right in the middle of its coastlined hair, the graying edges at the sides appearing as if this were whitened temples of an older gent.

"Life in such a city is mystical. As though the fingers of God were reaching down to touch His subjects. A light caress that is given and then removed slowly.

"Or perhaps, the great white net set out by the Big Fisherman to entrap but not to harm. To show that there are some things that man has no control over, no button to push to make it disappear, no evaporator large enough to disperse it, no roaring engine to dissolve it.

"Though entrenched in fog the city still goes about its work. The policeman must still make out the report that was caused by two drivers unable to see through the great white curtain. The fireman faces a different kind of smoke, one not man made. The appearance of poker playing haze filled rooms is outdoors.

"It is a distinctiveness that only coastal areas can claim. There are billions of miles of inland sections without a hint or whisper of the 'great white ghost.'"

Radiancy of the people within a city is not measured by fog density, but by an inner glow that shines brightly.

JOHN M. Lewkowitz, son of Daly City treasurer Joseph Lewkowitz, 501 Vista Grande avenue, recently became engaged to Miss Dorothy Ann Lear, 315 Camaritas avenue, South San Francisco. September 3 has been set as the wedding date with the nuptial service to take place at Our Lady of Perpetual Help Church, 60 Wellington avenue.

FLORAL FIESTA CHOICES

Judges Announce Professional Award Winners At Flower Show

More than 100 judges from all over the Western United States are calling the 26th annual Floral Fiesta the most extensive and lavish in the history of the San Mateo County Fair.

Record crowds are attending this year's Fair, scheduled to run through August 13.

Although many of the results have not yet been processed, the judges have announced the winners of their four special awards in the professional division. The A & J Shooter, Inc., nursery of Burlingame and the Burlingame Park Employees each received an award for "excellence in horticulture."

The two recipients of the "excellence in design" awards are the Eggli Nursery, San Mateo, and the California Landscape Contractor's Association.

Winners of the top three places in the various garden divisions have also been announced:

Play Yard and Garden—1st, City of San Mateo Park Department; 2nd, Christensen Nursery Co., Belmont; 3rd, Allan Hammer, Belmont.

Tomorrow's Garden — 1st, Peters & Wilson Nursery, Millbrae; 2nd, Christensen Nursery Co., Belmont; 3rd, South Peninsula Gardeners Association.

Estate Garden — 1st, Woodside Gardeners Association; 2nd, Peninsula Gardeners Association.

Public Park Living—1st, Burlingame Park Employees; 2nd, Redwood City Park Department; 3rd, City of San Mateo Park Department.

Outdoor Living Room — 1st, Huebsch Garden Construction, San Mateo; 2nd, Peters & Wilson Nursery, Millbrae; 3rd, Allan Hammer, Belmont.

Industrial Landscaping—1st, Eggli Nursery, San Mateo; 2nd, South Peninsula Gardeners Association.

Commuters' Garden — 1st, Aldon Nursery, Hayward; 3rd, Cactus Mac's, Hayward.

Roof Garden — 1st, Aldon Nursery, Hayward; 3rd, Cactus Mac's, Hayward.

Water Garden — 1st, Green Giant Nursery, Millbrae; 2nd, Huebsch Garden Construction, San Mateo; 3rd, Allan Hammer, Belmont.

Fuchsia Garden — 1st, San Mateo County Branch, American Fuchsia Society; 2nd, El Camino Branch, American Fuchsia Society; 3rd, Christensen Nursery Company, Belmont.

Oriental Garden—1st, Ken's Bonsai Garden, Palo Alto; 2nd, Green Giant Nursery, Millbrae.

Shade Garden — 1st, Nix Nursery, Castro Valley; 2nd, Christensen Nursery Company, Belmont; 3rd, Orchard Nursery & Florist, Lafayette.

Waterfall—1st, Lyal Nickals, San Leandro; 2nd, Rod McLellan Co., So. San Francisco; 3rd, East Bay Nursery, Berkeley.

Contemporary Water Effecs —1st, A & J Shooter Inc., Burlingame; 2nd, Orchard Nursery & Florist, Lafayette; 3rd, Nix Nursery, Castro Valley.

Modern Lanai — 2nd, Quatman's Nursery, Oakland.

Bay Area Garden Terrace—1st, A & J Shooter Inc., Burlingame; 2nd, Quatman's Nursery, Oakland; 3rd, Christensen Nursery Company, Belmont.

California Living—1st, A & J Shooter Inc., Burlingame; 3rd, Quatman's Nursery, Oakland.

Educational Display — 1st, California Association of Nurserymen, Peninsula Chapter. (Class 1, Section 19)

Educational Display — 1st, California Landscape Contractors Association. (Class 1, Section 20)

Lake Merced Site Of Youngsters' 'Fishing Hole'

Lake Merced was a beehive of activity last Wednesday, as the Daly City-Colma Lions Club and the Daly City Parks and Recreation Department held its annual Fishing Derby.

The event started at 8:30 a.m. when 140 children from all sections of Daly City were brought to the lake by bus. By 11 a.m., several of the small fishermen had caught their limit of five trout.

Fishing poles and reels were awarded to the lucky fishermen catching the largest, second to the largest, and smallest fish. Keith Stoller was the winner with a trout measuring 11 inches; Don Romero was second with a 10 incher, and Buddy Sammons caught the smallest fish of the day.

At noon the participants had their lunch topped off with ice cream and milk donated by the Lions Club.

+ TEEN TALK +

By Joe Bavaresco

Dear Mr. Bavaresco:

The biggest sin in our city is that there is nowhere for teenagers to go. We can't go to any real nice night clubs, because we are under age. On special occasions there aren't any nice places to take your girl except to a show or a school dance. I live within driving distance of San Francisco and in that big city there is nowhere extra special for teenagers to spend that one special night. It gets monotonous. What do you suggest?

John M.

Dear John M.:

Your letter is not a new one. I have received many such letters as yours, so I have decided to do something about it. I found two places for you. One is the Capri Room on Fisherman's Wharf in San Francisco. The food is excellent and inexpensive. There is an orchestra for dancing, plus the traditionally beautiful San Francisco atmosphere. The second place is a fantastically beautiful place called the Tonga Room in the Fairmont Hotel. The Tonga Room, with its pool and sudden storms, makes an enchanting place for any two young people to spend a "special evening." In a place such as this, you would expect to pay a lot of money; this is not the case. They even have a non-alcoholic drink especially for young people, plus dancing. The person to ask for the minute you walk in the door is Cecil. Both these places require that you be well-dressed with a tie, because they cater to only the finer people. I am sure Cecil will take very good care of you. The surprisingly inexpensive evening at either the Tonga Room or the Capri Room will be one you will never forget. You may think this sounds like payola, but it's just good old fashioned advice.

Dear Mr. Bavaresco:

My boy friend and I have been dating for six months now. My parents disapprove of him because he has three tatoos on his arm. My parents feel that any boy who would do this hasn't much character. How can I convince my parents not to think badly of him because of his tatoos?

B. G.

Dear B. G.:

I am going to agree and disagree with your parents. Basically they are wrong. You do not judge a person as a hood simply because he has a tatoo, no more than you can judge a person by the way he wears his clothes. Any man who would allow himself to be tatooed, no matter what the situation or circumstances, shows a lack of self-respect. It shows also a desire to show off. All in all, it is a bad gesture on anyone's part to go out and get a tatoo. On the other hand, a tatoo does not necessarily mean the young man is bad or a hood. Judge a man by his actions, not his tatoos. No one has the power to judge, but everyone has the power to forgive. See you next week?

Mr. Bavaresco is available for lectures and as a guest speaker. Send all teenage problems to: Joe Bavaresco, Camp Meeker, Calif.

'Always Budget Calories Club' Seeks Members

"The Always Budget Calories Club," Branch No. 1, in Daly City, is having its annual membership drive.

The A.B.C. Club has been established since 1955 and has branches in the East Bay areas, and also on the Peninsula. These clubs were organized to help women with a weight problem. It is non-commercial, and non-profit.

Initiation fee is 50 cents, and weekly dues are 10 cents. Members meet once a week and have their weights recorded, discussions are held in regards to dieting will power, or lack of it, and each member—by sharing the same problem with other members—helps to contribute towards the group idea of dieting.

Awards are given for weight losses, and fines are charged for weight gains. The A.B.C. Club is a "Do-It-Yourself" diet club. The club does not recommend any type of medication, or exercise. Any decision in this field is strictly between your doctor and you.

Any woman who would like to take off those vacation pounds is invited to phone the organizer of the Alway Budget Calories Club. Meetings are held on Friday afternoons at the home of Charmion Barton, 103 Irvington street. Phone: JU 6-7693.

St. Finn Barr's Plans Luncheon

A dessert luncheon and whist party will be held Friday, August 26, at 12:30 p.m. at St. Finn Barr's Church Auditorium, Hearst avenue and Edna street.

The luncheon and whist party is sponsored by the Sacred Heart Booth for the church's festival which is to be held October 21-23.

Army Has Choose It Yourself Plan

Todays Army is different—it has guided missiles, radar, jets, atomic weapons, complex electronic machines, etc.—and must have skilled technicians to man and maintain them.

That's why the Army now is offering a new plan that gives a young man his choice of the kind of training he'd like—there are more than 60 types of job areas that are open in the Army.

If you would like to know more about the "Choose-It-Yourself" program, see Tom Scannell at 6705 Mission St., Daly City, or call PL 5-6300.

YOUR NEIGHBORS ASK YOU TO VOTE "YES"

Listed below are the names of 833 Daly City residents who are members of the "Yes" on Callan Park Campaign Committee, the largest campaign committee in the history of the city. (Our opposition has never yet published the names of their supporters.)

We are members of the "Yes" Committee because we firmly believe that the annexation of a planned, balanced community like Callan Park will benefit Daly City by providing more jobs—more business and greater tax revenues.

We earnestly urge you to join with us by voting YES on Tuesday, August 16.

Catholic Social Service Names Garden Heads

Mrs. George Kelly of Millbrae announces the names of her reception committee for the Garden Party and Fashion Show to be sponsored by the Catholic Social Service Auxiliary on September 8 at the John P. Coyne residence, Hillsborough.

Mrs. Rene Cazenave will assist as co-chairman and other committee members include Mesdames G. O. Abrahamson and Joseph Branson of Burlingame; Elmer Hughes, Jack Hickey, Joseph de la Pena, and Joseph Spieler of Hillsborough; Bernard Gillis, George Greenwood, J. Sherry Feehan, and Miss Winifred Burke of San Mateo.

Others are Mesdames Walter Brennan, Robert H. Donohoe and James H. Flanagan of Menlo Park; Ralph K. Davies and M. T. Galvin of Woodside; J. E. Rockwell, San Carlos; Charles Miller, Belmont; Paul Hupf, and Miss Lorraine Carberry, Daly City.

Mrs. Andrew Conway, Burlingame; Mrs. Horace Ericksen, San Bruno; and Miss Anna Bosch of San Mateo, who is the Executive Secretary of the Social Service Agency.

The chairman of the hostess committee for the Champagne Hour which will preceed the Style Show will be Mrs. Frank Alioto of Millbrae. She will be assisted by Mesdames L. T. Finnerty, Harold Porter, Robert Lewis, John Moretto, H. N. Stronk of San Mateo and Wm. A. Medina of Hillsborough. Styles will be by H. Liebes Co. of Hillsdale and the commentator will be Evangeline Baker.

The party will benefit the work of Catholic Social Service.

TEENS TEACH FOLK DANCING AT FESTIVAL

Talented teenagers will teach at a free folk and square dance festival at Sunset-Lawton Playground gymnasium, 28th avenue and Lawton in San Francisco on Sunday, August 14.

A varied program of folk and square dancing will be presented from 1:30 to 5:30. Instead of exhibitions, San Francisco's Scholarships winners will teach dances learned at College of Pacific's Folk Dance Camp (July 25 to August 5).

Three San Francisco teenagers won their wish to broaden their views, and educate their feet so they could in turn better teach their fellow club members — the International Dancers of Mission High.

Catholic Daughters Plan Fashion Show

Plans are under way for a fashion show to be given by the members of Court Infant of Prague, Catholic Daughters of America, November 5, 12:30 p.m. at the Algiers Restaurant, in Redwood City. Mrs. Ernest Genovesi has been named chairwoman for the event.

DC Youth Gets Scholarship To St. Mary's

John Daniel Mahoney of Daly City has been awarded an honors scholarship to St. Mary's College of California and will enter as a freshman with the opening of the fall semester on September 12, it was announced today by Brother U. Cassian, F.S.C., dean of the college at Moraga.

The son of Mr. and Mrs. John D. Mahoney of 255 Bellevue avenue, young Mahoney is a graduate of Riordan High School in San Francisco. At St. Mary's, he plans to enter the School of Science.

St Thomas More Announces Tour Chairmen

Mrs. Donald F. McClory, chairman of the St. Thomas More Parish Autumn Tempo House Tour in Park-Merced has selected the following ladies to assist her in the planning of the tour: Co-chairman, Mrs. Kenneth Shipp; tickets, Mrs. Edward Wegman and Mrs. Joseph Kenny; publicity, Mrs. Robert Buckley; decorations, Mrs. Kent Bell; hostesses, Mrs. Carl Spain Jr. and Mrs. Carmel Marocvich. Reservations may be made by calling Mrs. Wegman at JU 7-9507.

SUE SMITH, center, 7 years old, was the winner of the 36 inch doll in a drawing to inaugurate the new Toyland at W. T. Grant's Westlake store. Looking on are store manager Art Langman and the girl's sister Virginia, 5 years old. The girls' mother is Okyeun Smith, 416 Westmoor avenue.

OUTSTANDING PRIZES

'Family Of Month' Contest Opens At Linda Mar's Shopping Center

"Linda Mar's Loveliest Family" will be chosen by special balloting during Linda Mar's "Family of the Month" contest, to be held, August 10-27 at Linda Mar Shopping Center in Pacifica.

Pacifica residents will have the chance to vote for the deserving family of their choice at any Linda Mar store. At the climax of the contest, the winning family who receive the most votes will win an all-expense paid trip to Disneyland. The lucky winning family will board a bus to Disneyland, enjoy the rides at the famed amusement center, and then stay overnight at the luxurious Disneyland Hotel.

Runners-up will also win exciting trips and prizes. Second prize winner will receive a "Glorious Night on the Town" in San Francisco, which will include dinner for the whole family at a top restaurant and tickets to a show performance. Third prize will be a "Day in the Sun" at Marin Town and Country Club. Fourth prize winner will journey to the mountains for a weekend in the High Sierras. Fifth prize will be an "Ocean Holiday" at Santa Cruz.

Others winners will have the opportunity to participate in a special Bonus Prize contest and will be able to keep as many groceries as they are able to pick off them grocery's shelves in sixty seconds. All Pacifica residents are able to vote each day at each store, and the only requirement for winning is that all entrants be Pacifica residents. Contest closes at 5 p.m. on August 27.

DC YOUNGSTERS DANCE AT SAN MATEO FIESTA

Many Daly City boys and girls participated in the variety show held last Saturday afternoon and evening at the San Mateo County Fair and Floral Fiesta, featuring freestyle, acrobat and tap dancing as put on by the Shipley and Smith School of the Dance, Colma.

They were under the directorship of Miss Clemmie Thompson, 18, 2460 Candlestick Cove.

Dancers were: Susan Alexander, 11, 278 1st avenue; Gerran Simonsen, 6, 1187 Nimitz drive, Colma; Miss Patti Hyre, 18, 1655 Annie street, Colma; Renee Pappas, 11, 819 Thornhill drive, Colma; and Arlene Johnson, 10, 639 San Diego avenue.

Boys performing were Timmie Welch, 10, 23 Westmount drive, and Ron Pappas, 13, 819 Thornhill drive, Colma.

Susan, the daughter of Virginia and Battalion Fire Chief Wayne Alexander, also performed at the Santa Rosa Fair on July 27 along with Linda Moritz of Burlingame.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

August 9, 1960

To Whom It May Concern:

Subject to issuance of the license applied for, notice is hereby given that the undersigned proposes to sell alcoholic beverages at the premises, described as follows:

209 Southgate Avenue, Daly City, Calif.

Pursuant to such intention, the undersigned is applying to the Department of Alcoholic Beverage Control for issuance by transfer of an alcoholic beverage license (or licenses) for these premises as follows:

ON SALE BEER

Anyone desiring to protest the issuance of such license (s) may file a verified protest with the Department of Alcoholic Beverage Control at Sacramento, California, stating grounds for denial as provided by law. The premises are not now licensed for the sale of alcoholic beverages. The form of verification may be obtained from any office of the Department.

RESOLUTION NO. 2863

A RESOLUTION DECLARING THE INTENTION OF THE CITY OF DALY CITY TO CLOSE SAN FERNANDO WAY AT ITS POINT OF INTERSECTION WITH EDGEMAR ROAD (EASTMOOR AVENUE) and JUNIPERO SERRA BOULEVARD IN DALY CITY AND FIXING THE TIME AND PLACE OF HEARING ALL PERSONS INTERESTED IN OR OBJECTING TO SUCH PROPOSED CLOSING.

WHEREAS, the City Council of the City of Daly City is desirous of closing San Fernando Way, a public street in the City of Daly City, at its point of intersection with Edgemar Road (Eastmoor Avenue) and Junipero Serra Boulevard in Daly City, and

WHEREAS, the City Council desires to take the necessary proceedings under the Street Vacation Act of 1941 closing said portion of said street;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Daly City as follows:

1. It is the intention of the City Council to close a certain portion of San Fernando Way, at its point of intersection with Edgemar Road (Eastmoor Avenue) and Junipero Serra Boulevard in Daly City.

2. Reference is hereby made to the map on file in the offices of the City Clerk of the City of Daly City for particulars as to the proposed closing.

3. Monday, September 12, 1960, at 8 o'clock p.m. of said day in the Council Chambers in the City Hall of the City of Daly City be, and the same is hereby fixed, as the time and place for hearing all persons interested in or objecting to said proposed closing.

4. At least three notices of street closing shall be posted conspicuously on Edgemar Road (Eastmoor Avenue) in the vicinity of said intersection, and at least three on San Fernando Way in the vicinity of said intersection. Such notices shall be posted not more than three hundred (300) feet apart but at least three (3) shall be posted, and such notices shall state the passage of this resolution of intention of the time and place of hearing there on.

5. At the time and place aforesaid, said City Council will hear the evidence offered by any person interested, and if said City Council then finds from all the evidence submitted, that such portion of said street is unnecessary for present or prospective public street purposes, said City Council will make its order closing the above described portion of said street.

6. This resolution shall be published once in The Record, a newspaper of general circulation published in the City of Daly City, California.

I hereby certify the foregoing to be a true copy of a Resolution adopted by the City Council of Daly City, California, at a regular meeting thereof held on the 8th day of August, 1960, by the following vote of the members thereof:

AYES, and in favor thereof, Councilmen: DeBernardi, Dennis, Verducci, Pacelli

NOES, Councilmen: None

Absent, Councilmen: St. Clair

Evelyn Mosman, City Clerk of the City of Daly City

APPROVED:

Francis P. Pacelli, Mayor of the City of Daly City

INVITATION FOR BIDS MISCELLANEOUS SITE WORK FERNANDO RIVERA SCHOOL

Notice is hereby given that the Jefferson School District, Daly City, San Mateo County, California will receive bids for furnishing all labor and material, transportation, plant and services for the construction and completion of the Miscellaneous Site Work for the Fernando Rivera School located on Lake Merced Boulevard, Daly City, San Mateo County, California, and all appurtenant facilities on the school site; each bid to be in accordance with the plans and specifications and other contract documents now on file with the Board of Trustees of the Jefferson School District, Daly City, San Mateo County, California and the office of the architect, Mario J. Ciampi, Paul Reiter, Associate, 425 Bush Street, San Francisco 8, California, where they may be examined and copies obtained by general contractors licensed by the California State Contractors License Bureau, upon deposit of a certified check in the amount of ($25.00) twenty-five dollars for each set of documents.

Bidders are hereby notified that the wage scale prevailing in this area has been adopted by the School District and set forth in the contract documents as the rate which shall be applied to this contract.

Each bid shall be made out on a form included in the specification and shall be accompanied by a certified or cashier's check or a bid bond for at least ten (10) percent of the amount of the bid made payable to the order of the Jefferson School District, Daly City, California and shall be sealed and filed with the Board of Trustees, Jefferson School District, 48 Park Plaza Drive, Daly City, California on or before Friday, August 19, 1960 at 2:00 P.M. where it will be opened and publicly read aloud.

The above mentioned check or bond shall be given as a guarantee that the bidder will enter into the contract if awarded to him and will be declared forfeited if the successful bidder refuses to enter into said contract.

The Board of Trustees of the Jefferson School District reserves the right to reject any or all bids and to waive any informality in the bid.

No bidder may withdraw his bid for a period of 30 days after the date set for the opening hereof.

WAGE SCALE

SAN MATEO BUILDING AND CONSTRUCTION TRADES COUNCIL

703 B STREET, SAN MATEO, CALIFORNIA

CRAFT	PER HOUR
Asphalt Ironers and Rakers	$3.295
Asphalt Shovelers	3.145

Why Labor Representatives Endorse The Annexation

As officers in our respective labor organizations and as residents of Daly City, we, the undersigned, in the interest of our community, are stating our reasons for favoring the annexation of Callan Park to Daly City.

We do so not only because we are interested in seeing jobs created, but more particularly because we believe that Daly City has an opportunity which it must not ignore. It is obvious that the residents of Daly City will profit greatly from the 90 million dollar payroll created by Callan Park. It also means 16,700 new jobs going, to a very great extent, to residents of Daly City and it means that suppliers, subcontractors, materialmen and many crafts and trades doing business in Daly City will also benefit from this development.

Daly City stands at the threshold of Leadership

Northern San Mateo County is approaching the climax of its development. Decisions made now can never be reversed. Daly City must assume the position of importance it rightly deserves.

Consider the freeway dispute. Powerful forces, including the efforts of the City of South San Francisco, attempted to locate the freeway through Daly City in a manner that unduly damaged our city. Yet, through the concerted effort of Daly City and its citizens, the Highway Commission was persuaded to adopt every proposal made by Daly City.

Do not be deceived. The strength and importance that Daly City will assume with the annexation cannot be over-estimated. Vote YES and give Daly City greater strength in future battles and legislation.

Annexations have benefited Daly City

Much has been said about annexations and their tax effects. There are certain basic services which must be provided to the people in a city. However, as the city grows, the per capita cost of providing police service, fire protection, library, engineering department, recreation and park service ALL TEND TO DECREASE APPRECIABLY.

A review of the Daly City tax rate over the years will support this point.

Picture Daly City 10 years ago and look at it today. It must be conceded that a remarkable improvement has occurred. This improvement will continue with the annexation of Callan Park and so will the ability of the city to provide more services to the taxpayers.

A YES vote is indeed a vote for progress

A YES vote means that Daly City will assume the position of unquestioned leadership in Northern San Mateo County. Any other vote will reduce Daly City to a second rate position. Your vote is important. It must be YES.

The City Council is to be commended for its approach to the Callan Annexation. It has attempted to solve this question on a pay-as-you-go basis.

That means that the basic extensions and improvements of the water, sanitation, storm sewer and other systems must be provided for by the developer as part of the cost of development of the land.

This cost WILL NOT be passed on to existing taxpayers in Daly City. Any assertion to the contrary is a pure and simple lie. It is intended to confuse the issue. Charges against this annexation are generally quite obscure and without foundation. These charges tend to be broadside attacks, attempting to cause fears of dreadful consequences; YET THESE CHARGES ARE NOT DOCUMENTED.

A larger city means progress for Daly City. More jobs mean progress, more business means progress, and more tax revenue means more services and first-class government for Daly City.

PACIFICA'S SWEATHEARTS started with 17 girls in March of 1959 and have grown to 45 girls and seven boys. The majorettes have won seven firsts and five second places in majorette competition. From left to right starting with the front row are: drummers Philo Van Orden and Dan Peters, director Florence Bedford, former instructor Margie Himmel, director Frank Bedford, banner bearers Mike Matteucci and Jimmie Coen. Mayorettes are Margarita Conroy, Rose Marie Johnson, Judy Buskey, Darlene Bricker, Sheri Moffett, Brenda Albertz, Linda Street, Karen Murray, Linda Rist, Mary Rentmeester, Carol Payne, Brita Albertz, Ann Peters, "Lucky" Murphy, Susie Burdette, Val Kramer, Diane Smith, Kathy Murray, Donna Rae, Diane Brown, Pat Reid, Pamela Reid, Deana O'Commor, "A.C." Smith, Carol Sittts, Linda Shelton, Susan Dare, Claire Van Orden, Helen Van Orden, Georgie Cox, Kathy Gust.

Old Glory Post Will Obligate Large Class Of New Members

Old Glory Post No. 2044 and its Ladies Auxiliary of the V.F.W. will have a large class of new members obligated at the August meeting. Plans are being made for a large initiation ceremony in October.

Members from Old Glory Ladies Auxiliary, headed by Catherine Albertus, president, and Pat M. Fawcett, chaplain, bearing one of Tanforan Florists loveliest floral stands, journeyed to the Darling-Fisher Mortuary Chapel in San Jose last Monday, for a final farewell to Mrs. Kate Smith, mother of Mrs. Bonnie Ellinwood.

A delegation from Old Glory Post 2044 and its Auxiliary will be guests of the Santa Clara Mission Post, August 13, where they plan to enjoy a steak dinner, followed by a dance in the City of Santa Clara. Sunday, August 14, will find Old Glory Post and its Auxiliary on the road to Santa Clara again, where the 12th District will hold their first meeting of the new year in the Santa Clara Fairgrounds. The meeting will adjourn at noon and will be followed by a barbequed chicken, with trimmings, luncheon to be held in the family picnic grounds at the fair. Commander Mel Danz of the 12th District promises a fun filled afternoon for V.F.W. members, their families and friends, who will gather from many far spots in Northern California.

Emma Porter, senior vice president of Old Glory Auxiliary ways and means chairman is very happy together with her co-chairman on the bazaar sewing. Frequent sewing sessions are held through the month, at various homes, where tongues and fingers fly.

The monthly senior citizen luncheon, followed by a long table game, held on the last Sunday of the month at the home of the Senior Citizen Chairman Pat M. Fawcett, sponsored by the Old Glory Auxiliary, is becoming very popular. At the last affair an extremely large group gathered and enjoyed a very happy afternoon. A hot luncheon is served at 1 p.m. and the final guest leaves at 5 p.m.

Commander Peter Becker and President Catherine Albertus have planned many new and interesting projects for the coming year.

Suspect Two Men In Westlake Jewel Burglary

Two men were believed to be suspects in the glass cutting and theft of more than $300 worth of jewelry from the front window of the Westlake Jewelers, 329 South Mayfair avenue, Sunday at 12:45 a.m.

Officer Jim Doran said the two men used a glass cutter to make a 2¼ inch hole in the Southwest corner of the display window. Jeweler Jerry Jacobs, 152 Westmoor avenue, said the missing articles included a bracelet worth $185, a man's ring with unknown value, a man's wristwatch worth $95, and 13 original American yellow coins, also of undetermined value.

A woman said she saw the two men rush past her, one towards Park Plaza drive, the other toward the parking lot. Due to the poor lighting she said she could give no physical description. She said one was between 5-11 and 6-1 and wore a dark colored coat and light trousers while the other about 6 feet and had a light colored jacket and dark pants.

'BAD' CHECKS

Couple, Parents Of 6 Children, Arrested Here

An expectant woman, mother of six children, and her husband were arrested on charges of passing fictitious checks in Westlake last Friday morning and were turned over to Pacifica Officer Otto Saltenberger.

Officer John Coleman, of Daly City, responded to the First Western Bank, 30 Westlake court, and apprehended John M. and Ruth Jean Williams, both 34, of 406 Acacia street, San Mateo.

Williams, who listed his occupation as a steel worker, had attempted to cash a $10 check. His wife with children ages, six months, two years, three years, six years, 11 years and 13 years was near him.

Bank of America officials stated the Williams have cashed $700 worth of fictitious checks. As most of the "bad" checks were drawn on San Francisco and Pacifica banks, Coleman turned the couple over to Saltenberger.

DC Sea Scout Officers Help Save Sloop's Passengers

Daly City's Sea Scout officers, on a routine visit to the San Francisco Sea Scout Base, were instrumental in rescuing a luckless skipper and his passengers. The two, Skipper Robert Gunthorp and Ship's Mate Frank De Martini, Jr., sounded the alarm as a large sloop broke its mast and was pounding helplessly against a seawall.

De Martini, without regard to his own safety, remained at the scene. He alternately fended off the yacht, as it was being brutally smashed by high winds and waves, and tended emergency lines, moving them about so they could do the most good in preventing the yacht from completely smashing its hull.

Gunthorp, accompanied by Skippers Lyle Galloway and Harry Goodwater, reached the scene aboard the SSS Sea Horse. A heaving line was passed, and a towing hawser hauled aboard the yacht.

The crippled vessel was then towed by the Sea Scouts to its home berth at Clipper Yacht Harbor in Sausalito, the Sea Scout vessel then returning to its home port at San Francisco's Acquatic Park.

Vessels of the Sea Scout fleet have frequently taken part in rescue operations of this nature. The Sea Scouts, seldom heralded for such actions, are satisfied with merely conforming to the Scouting traditions of preparedness, helpfulness, and service.

Locally, Daly City boys have frequently aided distressed small boat skippers on Lake Merced, the Daly City Sea Scout home base. Competent and well-trained young seamen, our boys have braved high winds and rough waters on many occasions. Their often prompt presence on the scene has prevented any possibility of loss of life, however remote, but has also ensured the saving of boats and vessels and their equipment.

Local unit, SSS Fleet Admiral Nimitz, is skippered by Westlaker Bob Gunthorp and sponsored by the Westlake Subdivisions Improvement Association. Its membership roster consists of high school and college men from Daly City, Colma, Broadmoor, Garden Village, and adjacent San Francisco areas.

Interested young men are invited to inquire about membership by calling Gunthorp at PL 5-2181 or De Martini at PLaza 6-1946. The group owns three small sailing boats, moored at Lake Merced, and a large pulling boat currently being overhauled. Use of the boats to the ship's members is free.

Problems Lessen When Terrestial Outlook Tried

The September Western Report (newsletter of Western Girl Inc., the nationwide temporary office help agency) offers two outlooks a person may employ alleviate that worried feeling over business, home or financial problems.

Number one is termed the Space Technique: set aside your problem long enough to visualize this earth as a microscopic dust-mote, spinning around a sun, which in turn is a very minor star among millions of larger suns in the Milky Way (which itself is just a small portion of the known universe now revealed by our big telescopes) . . . And our lives are just micro-second segments of time without end. Pretty minor, our problems, aren't they?

The Western Report calls the other method the Time Technique: if viewing problems in the latter fashion is too ethereal an approach try this one. From a purely terrestial viewpoint (and time as we earthlings reckon it), ask yourself if the problem still will be meaningful 100 years—or even 10 years from now. And if the problem still seems overwhelming, remember that we grow in stature as our ability to surmount and conquer trouble increases.

Scientists Recommend Equipment To Probe Possible Life On Mars

The first rocket probe to Mars should contain equipment which could detect interference or destruction by intelligent beings, according to two California scientists.

The probe should also be able to transmit information back to Earth on the nature of the Martian canals and the two Martian moons, Phobos and Diemos.

These remarks were made this morning by Wells A. Webb, research chemist for Hexcel Products, Inc., Berkeley, and James A. Harder, assistant professor of civil engineering at the University of California, Berkeley, in a paper presented at the third annual West Coast meeting of the American Astronautical Society in Seattle, Washington.

The two researchers pointed out that there is enough evidence indicating the possibility of past or present intelligent life on Mars to make it worthwhile to instrument the first Mars probe so that it will detect manifestations of such intelligence if it does exist.

The scientist explained that the most reasonable way to make allowances for the interception or destruction of a Mars probe would be to install some type of proximity detector in the probe, preferably one which detects the velocity of approach of a nearby object by means of a shift in the frequency of a signal given off by the probe.

The two researchers stressed the importance of discovering whether the canals and satellites of Mars are artificial and the need to get telescopes above the Earth's atmosphere to do this. The question of the canals, they said, could be resolved with a stabilized Earth satellite carrying a powerful telescope and a delicate alignment system along with a relatively simple radio transmission system.

But the problem of the Martian moons can be resolved only with a Mars probe containing a small telescope-viewing camera and a relatively complex television transmitter.

FASTEST GROWING PLANT ON EARTH

The giant kelp of the California coast can grow in length at the fastest rate known for any plant on land or sea, according to research conducted by the University of California's Institute of Marine Resources.

This valuable plant grows up from holdfasts on the sea floor to the water surface, where its long fronds spread out to form a dense, floating canopy.

Length increases of twenty inches per day (10 to 15 feet per week) have been observed as the fronds approach the surface and form the canopy. At this stage of their development, giant kelp fronds can elongate as much in one week as corn plants do in a complete growing season, says Dr. Kenneth A. Clendenning, Associate Research Biologist of the Institute of Marine Resources and of the University's Scripps Institution of Oceanography. Clendenning says this is accomplished by intercalary growth, that is growth which is distributed throughout the length of the giant kelp fronds. The difficult growth measurements on giant kelp in the ocean which established this result were made by Wheeler J. North, James R. Stewart, Earle G. Cunnison, and other staff members of the Institute of Marine Resources.

A literature search has revealed that the next fastest growing plant on record is the bamboo, which also has an intercalary growth mechanism. Some varieties of bamboo shoot upward as much as twelve inches per day. This is only slightly over half as fast as giant kelp.

Peninsula Blood Bank Cites PG&E Group's Donations

A highly successful program of blood contributions which was started in 1951 by the Pacific Service Employees Association of the Pacific Gas and Electric Company was praised today by officials of the Peninsula Memorial Blood Bank.

Some 66 blood donors contributed recently to the reserve which has seen a total of 473 contributions and 396 withdrawals since its inception in 1951.

The P.S.E.A. began its blood bank program when one of the members needed considerable plasma nine years ago. Regular group donations are made three times a year now. The organization covers P.G.&E. Employees throughout San Mateo County, both office, administrative and field workers.

Chairman of the most recent drive was Robert DeZarn who was the campaign leader this year. Kenneth Van Gundy, Director of the P.G.&E. office in San Mateo, praised the work of the blood drive and complimented the blood bank officials for their administration and handling of the donors.

The iron and steel industry uses about 95 percent of all the manganese consumed in the United States.

TV and Radio

By Mona Baker

You can ride high up the "snow-capped" Matterhorn mountain — you can drift through a dense tropical jungle. You can ride a mine train through the wilderness of nature's wonderland — you can sweep through the "highway in the sky" by monorail. Known throughout the world, Disneyland is a delightful funland fashioned by Walt Disney using that creative genius and Disney magic that is so evident in his television programs seen locally over ABC, KGO-TV. At night particularly spectacular is the outline of Sleeping Beauty Castle silhouetted against the brilliant display of fireworks in the sky.

On your first visit to Disneyland, you'll find so many intriguing places to visit that you might overlook two unusual exhibits. In one building is a most interesting illustrated display of the many painstaking processes required to create Disney's famed animated characters. Another attraction, presented free by the Bell System communications network, is "America the Beautiful" which utilizes a most unique film process called "Circarama" which was developed by Disney Studio technicians. Visitors are given a breathtaking film tour of America using a 360-degree circular screen which gives the most realistic sensation of riding right along with the camera.

So if you're traveling South, you'll find Disneyland a most exciting place to visit—a real joy to the young, and those "young in heart."

* * *

Certainly colorful television was KRON-TV's colorcast of last week's fall fashion show from Union Square. San Francisco's famed park with its green waving palms ringed by tall buildings formed a splendid background for the sophisticated fashions of brilliant purples, blues, greens and reds. Colored television is just made for fashions, and we are at a loss to understand why more fashion shows aren't seen regularly on television. We would like to see a colorcast of fashion shows on a regular basis on daytime television at least once a month. We predict "standing room only" around colored television sets.

* * *

Wonderful news from NBC network is the announcement that "The Shirley Temple Show" featuring dramatizations of classics, original teleplays, music and variety and other subjects will be colorcast beginning in the fall on Sunday evenings. Miss Temple will star in one out of three of the NBC productions and serve as hostess on the others. She brings to tlevision a wholesome beauty, freshness, and charm that is unique and makes for delightful family television.

MISS Marie Sain, daughter of Mr. and Mrs. L. Beavers, and Harry Hunter of Reno, Nevada, recently exchanged vows at Our Lady of Mercy Church in Westlake, in a ceremony officiated by the Rev. Father Timothy J. Monahan. The groom is stationed with the Air Force in Klamath Falls, Oregon. They have established residence in Westlake.

NEW PROGRAMS: Bowing over KQED last Friday at 7 p.m. a new series titled "Heredity" which discusses the biological facts of inherited characteristics as well as some of the fallacies.

"Editor's Forum" new KTVU weekly series (Sun. 1 p.m.) featuring the noted commentator Leslie A. Nichols investigating events of interest to communities around the Bay Area.

Tackling world problems will be two experts who will be featured in discussions on a new program over KPIX (Sun. 4 p.m.) titled "Reaction" and produced in cooperation with World Affairs Council.

DOING IT FOR GEORGE

In Washington, D.C., reports the National Automobile Club, a policeman strolled over to a man who was taking the tires off a car.

When he asked the man what he was doing the man told him that he was taking these tires off because George had asked him to do it.

"Well, my name's not George," replied the policeman, "but I own that car, and I'm taking you right down to the station now."

A newborn bear cub, according to the National Automobile Club is smaller than a newborn porcupine.

NEW residents of Daly City in Westlake are Margaret Lehmann and Fritz Baumann who recently exchanged vows at St. Mary's Cathedral in San Francisco. The bride's parents are from Germany.

Kaufman Studio photo

Westlake's Pet Parade Features 'Mr. Bob,' Prizes, Poodle Puppy

Westlake's Pet Parade, to be held on August 19, from 1:30 to 4 p.m. in the Westlake Court, promises to provide fun and entertainment.

No matter what your age might be, you are invited to register your pet at the Westlake Court on August 17 in order to be eligible to compete for the valuable awards to be given on the 19th.

Any pet is eligible — dogs, cats, monkeys, birds, chipmunks and even skunks—as there will be prizes in 10 different divisions. Dress up your pet, put him on a wagon and decorate the wagon before entering him in one of the following:

Best Cat, Smallest Pet, Most Unusual Pet (one for each boy and girl), Most Unique Float with Pet, Youngest Contestant (both girl and boy), Oldest Contestant and Best Dog.

Valuable merchandise orders will be given as well as free pet food and blue ribbons to the winners. A drawing will be held for the general public following the parade for a valuable pedigree poodle puppy.

As a special attraction "Mr. Bob," of the TV show the "Three Stooges," will present a special show with his puppets after the parade.

"MR. BOB" and his two friends, "Lester the Lion" and "Happy," will appear in person at the Westlake Pet Parade on Friday, August 19, from 1:30-4 p.m. In the Westlake Court. "Mr. Bob" is the popular childrens favorite who hosts the "Three Stooges Show" on KTVU channel two daily.

Pacifica Garden Club To Meet

The regular monthly meeting of the Pacifica Flower Friends Garden Club will be held Wednesday, August 17, at 8 p.m. at the Sea Bowl. All members are invited to attend and bring their friends, and "please remember the plant table."

The second most important item in California's 1959 cash farm income, after cattle and calves, was milk, $376,000,000.

De Paul Society Daly City Branch Burglarized

Joseph Powers, 60, 538 Winchester street, manager of the St. Vincent De Paul Society branch at 6726 Mission street, notified Officer David Johnstone that $123 worth of equipment and five radios had been stolen last Wednesday evening.

Johnstone said the thieves pried the hasp of a door with a screwdriver in order to gain entry. A $70 tube tester and $53 volt meter belonging to Paul Bailey, 308A Vista Grande avenue, a repairman for the society, were taken.

There was no value on the radios as they had been donated by residents and were older models.

Fort Ross was one of the first historical sites to be set aside for preservation by the State of California.

SPORTS PAGE

John Barsotti, Age 12, Records Second Highest Bantam Series

By Bob Sexton

In Wednesday bantam action, last week, 12-year-old John Barsotti hit the wood for a 361 series. John demonstrated amazing consistency as his games were 180-181. The only bantam to ever roll a higher series is Don Figini, who presently holds the high series with a 386. John's mother was present when he found the "pocket" and was almost as excited as he was about the big score. His average is a mere 110.

* * *

The boss of the pins for the Wednesday 710 Junior Scratch league was Bob Morrison. He posted a fine 549 series behind games of 182-197-169. Second high series for the scratch league was John Bartelmez. John rolled a 515 series to help boost his average.

High in the Monday bantam girls league was Tina Anderson with a 250 series. Her high game was a 132. Tina is a new bowler with an average of 99. Kathy Brown led her Saturday bantam girls league to a pair of wins as she bowled a 224 series for the two games.

Tom diLustro was one of the top bowlers in his Saturday bantam boys league for the second consecutive week as he throttled the pins for a two-game series of 289. Tom's best was a 155 effort. Not far behind was Eddie Kellet with a 270 series. Stu Scott was way up there also with a 286 series behind games of 166-120.

Over in the Junior Boys Handicap league the high game of the month was shot by hustling and good natured Larry Tomassini. His 232 game was the fourth highest yet rolled in the Junior boys handicap league at Westlake. Behind Larry was Bob Ottoson, with a 175-156-191, 522 series.

In this same league, bowling for the team of Charlie's Richfield, Harry Sizeland scored a 115 triplicate. This is Harry's second triplicate in this league.

A lot of credit goes to Gary Daugherty for his fine effort of 417 in the Junior Boys Hanhicap league. Gary just moved up from the bantam league not long ago. He is persistently raising his average in the older classification.

In the Senior Boys league play Bill Dooley had himself a good day picking up splits. Bill converted both the 5-7 and 5-10. Right next to Bill, Mike Lanier was plastering the wood with games of 191-201-195 for a total 590 series. This now ranks third in the senior league for high honors.

The high game honors for the day go to John Zamzow who shot a big 223 game. John's series was 587. This also ranks up among the highs for the senior boys league.

Phil Cleary, a veteran bowler in the senior league for some time, has started to show the skill that everyone knew he had. Last week his scores were 160-174-149 for a 479 series.

Two bantam boys who have not had big scores before suddenly cut loose with a couple of whoppers. Steve Hannah rolled a 164-167 for a 331 series and Bob Landucci came in with 140-173, 323.

After last week's assault on the pins Marg Clark took it a little easy Saturday and was passed up by an always pressing gal named Pat Marks. Pat took top honors for the day in her Junior Girls league with a series of 483. Pat's games were 147-167-169.

Some of the gals that were shooting over their average in the Junior Girls league were Julie Clevenger, Cinda Davidian, Connie Barona and Lanette Howard. These gals are all new to the Westlake leagues this summer.

Mary Anne Crabb, who carries a slight 87 average to match her slight frame, scattered the pins high, wide and handsome as she scored games of 99-147-160. As one can see, this is considerably above Mary Anne's average.

* * *

The match game promenade at Westlake continued with L & L Castle Lanes making the trip to Westlake to take on the hosting bantam team. The return match saw the Westlakers trim the visitors by a neat 99 pins.

* * *

After two fresh wins from the best the junior boys league could offer, the "Rejuvinated Oldsters" took on a chipper team of Senior boys. As would be expected, the elders took an early lead but seemed to run out of gas as the kids came to the finish line with plenty to spare. The oldsters took the first game by the score of 726 to 647, lost the second game 694 to 632 and fought the kids right down to the wire before succumbing to the spirited foursome. The score of the third game was 685 to 633. Next week will find the elders back in the junior league for another challenge match.

Colma Man Captures First Place For Model Plane Entry

H. C. Randall, 45, 1047 Gilman drive, Colma, received a trophy for his first place in the Carrier Landing Event at the National Model Airplane Championships at the Dallas Naval Air Station, Grand Prairie, Texas.

Randall's model was entered in the open class of the Carrier Landing Event which took place July 31.

JOHN GRIMES, 120 St. Francis boulevard, has been teaching tennis at the Summer Youth Program for children of dependents of military personnel stationed at Hamilton Air Force Base. Grimes attends USF and is studying Political Science and taking a Pre-law course. The Junior was formerly a member of the USF tennis team. He also coaches softball, volleyball and various games to the youngsters.

RICHTER, CHADWICK TOPS

PAL Bowling Tourney Earns $5763 For Kids

Richard Richter and Mary Lou Chadwick were the winners of the second annual Police Athletic League benefit bowling tournament at Westlake Bowl with Richter posting a 210-200-181 series plus 136 pin handicap for a 727 and Mary Lou rolling a 165-155-198 plus 180 for 697.

Unofficial results of the six-week competition found the boys of Daly City richer by $5763.50 from the activities of 5095 keglers. 3720 men and 1375 women were listed as entries, $630 was realized from the "3-6-9" feature, and $38 was contributed.

Johnny Swanson, Westlake bowl operator speaking for co-chairman John Doelger, in the hospital for minor surgery, said the 1960 tourney surpassed 1959, and steady progress was being made toward the ambitious ultimate goal of $10,000 per tournament.

"The hard-working members of the P.A.L. committee will meet shortly to discuss a change in dates for the 1961 meeting," Swanson said, "perhaps starting the action a little later in the summer will bring even more entrants."

More than 500 prizes, donated by the generosity of Daly City and neighboring merchants, will be distributed Saturday, August 27. The tourney is set up with the ratio of one prize per ten entries plus special squad prizes.

High game for the men was bowled by Durward Miley with a 264 and the distaff side tops was Deanne Alves' 229. Jack Glass, 3997 and Betty Ostergren, 3869 took the top six game prizes. High twelve series was won by Dottie Tener, 7580 and Chuck Brusco, 7789. Charlie entered the competition 40 times, a record.

Mary Lou Chadwick has been bowling less than six months and rolls to a 110 average. She really knocked the pins over to take the woman's prize.

Here is the final top ten in each division:

Men—Richard Richter, 727; John Doelger, 717; Mauro Capone, 716; George Homer, 716; Huck Huckabay, 716; Charles Brusco, 711; Bill Pond, 710; Edwin Young, 705; Don Gilliam, 703; and Jack McNelly, 698.

Women: Mary Chadwick, 697; Dottie Tener, 693; Betty Ostergren, 677; DeAnne Alves, 672; Norma Baldelli, 669; Janet Young, 666; Helene Gordon, 664; Irene Lenzio, 661; Eleanor Mathews, 660; and Nellie Witt, 660.

Chief of Police Roland Petrocchi issued a statement praising all the Westlake employees, league presidents and secretaries and other public spirited citizens who contributed their time and effort to handle the tournament.

"The money is very much appreciated and will go to help build our Daly City boys into the fine citizens of tomorrow," said the chief.

Opposing Pitchers Strike Out 43 In Midget Tie

BYA Tigers and Our Lady of Mercy Cubs fought to a 1-1 extra inning tie in last week's feature game of the Department of Parks and Recreation's Summer Midget Baseball League, American Division.

Tiger pitcher, Mike Miller, struck out 22 men and walked 5 while Cub pitcher struck out 21 and walked nine. Miller allowed only one hit and Davis only two. The game will be rescheduled at a later date.

The PAL Yankees won their second game in three starts when they defeated Art Colvin BYA, 6-2. John Kirby doubled in two runs in the third inning to start the scoring for the Red Sox. Winning pitcher Alan Stanley struck out 12 BYA batters.

The fast improving BYA Bullets won their second game by dropping the Misracks Bombers 6-3. Mike Dulac led the winners with a double and a triple in four trips to the plate.

NICK BUDEA TOSSES NO HIT GAME

Two upsets tightened the Department of Parks and Recreation's 1960 Summer Midget Baseball League, National Division, last week.

The PAL Red Sox, behind five-hit pitching of Terry Piccardo, defeated previously unbeaten San Pedro Lunch, 7-5. Hitting stars for the Red Sox were Dennis Amundsen and Alvin Rideau who had 3 and 2 hits respectively and scored three runs each. Bob McLean had three of San Pedro's five hits.

The OLM Cardinals were shut out by the Misracks' A's, 10-0, behind the no-run, no-hit pitching of young Nick Budea. Budea struck out 10 Cardinal hitters. Jim Whooley collected three hits, two of them doubles, to drive in five big runs for the winners.

The BYA Flying "A" Athletics defeated Tower Market 16-6. Lee Williams led the Athletics with four hits in as many times at bat.

'Rec' Department, Gains Play-off Berth With Win

The Recreation Department and Consolidated Schools squared off August 4 to break a fourth place tie in the Adult Softball League.

The "Rec" Department survived a five-run Consolidated School rally in the fog-bound last inning to win by an 11-10 score. The winners jumped on losing pitcher Larry Kennedy for nine runs in the first inning.

Tom Glover, Rich Watso and Bob Brown collected two hits apiece for the Recreation Department as did Noel Murray and Gil Fontana for the losers.

The first place Daly City Drugs eliminated third place Corina Cleaners in the first game of the O'Shawnessy play-offs by a decisive 15-2 margin. Wildness was costly to losing pitcher John Crowhurst Jr., as he walked 12 men and delivered nine wild pitches.

The winners were only able to provide five base hits. Winning pitcher Shorty Lamas scattered four Cleaners' hits.

Carr To Be Line Coach For Ram Footballers

Bill Carr, 26-year-old San Francisco State graduate, will be line coach for Westmoor's varsity football team this Fall.

Carr replaces Floyd Gonella, who moved to Oceana as Physical Education Department Head. Carr received both his teachers credential and A. B. degree from SFS although he also attended West Contra Costa Junior College. Previous to that he was a standout with Antioch High School. He performed as a tackle at the schools.

Varsity head coach Pete Matisi's helper is currently working with the Daly City Recreation Department. He lives at 507 South Mayfair avenue.

De Lucca Pitches Near Perfect Tilt For Pisa

George De Lucca of New Pisa Restaurant pitched a near perfect ball game against OLPH last week in the Department of Parks and Recreation's Summer Junior League.

Enroute to his no-run, no-hit game, De Lucca walked Jerry Senkir who was thrown out attempting to steal second base. This was the only base runner for OLPH. New Pisa banged out 8 hits and scored 11 runs with De Lucca leading the way at the plate with 3 for 3.

The Daly City Merchants upended the previously unbeaten OLM Gaels by an 8-1 score. Mike and Nick Krnich and Jerry Donovan had two hits apiece for the winners as did Dave Williams for the losers. Undefeated Art Colvin BYA was idle.

Jet Propelled Dragster Makes Coast Debut

Half Moon Bay Drag Strip, where many of the national records are set, will be the site where the only jet-propelled car in drag racing will be making its West Coast debut this Sunday.

The car and driver, Walt Arfons, are from Akron, Ohio. This car is capable of speeds up to 225 m.p.h. in a standing start quarter mile.

The only appearance of Walt Arfons and his jet-propelled car in Northern California will be at Half Moon bay Drag Strip.

Eagles Launch Clothing Drive For The Needy

The Daly City-Colma Eagles have launched a month-long drive to collect usable children and adults' clothing for the underprivileged in this country and overseas.

Peter Obringer, 237 Wyandotte street, is chairman for the local Eagles. He said the drive is a part of "World Clothing Week" for the Christian Children's Fund.

All residents wishing to donate clothing are urged to take it to the Eagles Hall, San Jose avenue near Bepler street, or contact Obringer, PL 5-5569, and Jerry Summers, 349 Peoria street, JU 5-0436.

WEST SQUAD HAS FIRST WORKOUT IN PREPARATION FOR STAR TILT

Co-coaches Bob Berry of Willow Glen and Bill Fieling of Lowell put their 28 West all-star football players through their first workout at Jefferson High School Monday and were impressed with the overall condition of the squad.

The West opened 10 days of practice for the sixth annual 20-30 Club charity game to be played at Kezar Stadium on August 20.

Already a battle is shaping up for the first string quarterback post. Ron Calcagno of St. Ignatius and Bob Berry Jr. of Willow Glen are the candidates.

Calcagno, who just missed winning the most valuable player trophy in last week's Shrine all-star game in Los Angeles, is an excellent signal caller and runner.

Berry has a slight edge as a passer. Both boys will see plenty of action against the East.

The West is bolstered by six other players who participated on the North team in Los Angeles.

John Lo Curto of Bellarmine, the best interior lineman in the Shrine game, Clayton Stephens of Serra, a co-captain of the North team, head the list.

Guard Bob Hector of Tamalpais, fullback Gary Lewis of Poly, and tackle Mike Chase of St. Ignatius also played key roles in the North's valiant if futile battle with the South.

Coaches Berry and Feiling will run the West stars through two drills a day including this Saturday.

DC's Ed Yahraes Places In Deep Sea Fish Contest

A Daly City fisherman, Ed Yahraes, 230 Los Banos avenue, took eleventh place in the ninth week's contest of the Monterey Peninsula Deep Sea Derby.

His 11 pound, 5 ounce, ling cod caught on August 7th earned a prize of a bottle of champagne.

The one-thousandth angler has already registered in the thirteen-week affair that offers 15 weekly awards and 20 grand prizes to participants that purchase tickets on Fisherman's Wharf in Monterey.

The $5,000 prize list includes an all-expense paid trip for two to La Paz, Mexico, and 11 cubic foot food freezer, and all types of sports equipment.

Competition closes at 3 p.m. on September 5. Salmon, ling cod, rock cod and white sea bass are eligible. Largest entries to date are two 35-pound salmon caught by Steve Barnes of Modesto and Bessie Ostrow of Monterey.

ULCER PATIENT TRANSPORTED TO HOSPITAL

Joseph Salvo, 35, 194 Pallsades drive, was given oxygen by Central Station firemen and then transported to St. Mary's Hospital by Bay Area Ambulance last Tuesday.

His wife, Marian, notified police that he had been having ulcer trouble and all of a sudden he felt his arms and legs going numb. He also complained of having difficulty breathing. Officer Jim Sunderland took the report.

GREEN MONSTER, driven by Walt Arfons, will make its first and only Northern California appearance this Sunday, at Half Moon Bay Drag Strip. The only jet-powered car in the world, Green Monster travels upwards of 225 mph and uses airplane brakes and a 14-foot 'chute to stop.

SPORTS SPIN

By LOU LUCIA

ALL SMILES FOR ORLICH: Jeff High basketball coach Mike Orlich should be all smiles come next hoop season. He will have the top scorers in the Peninsula League 120's, 130's and varsity all available for front line duty. Besides point productioneer Gary Molossi returning, leading 130 accumulator Sonny Stoller and proficient scoring Bill Saaris will be on the hardwood. Saaris has put on more than 26 pounds which should have him jumping from the 20's to the varsity. In addition, second leading 120 scorer Bobby With will be playing varsity ball. Can't speculate on loop winning at this time but Jeff could possibly have some very high scoring totals.

* * *

WARNE WILL HAVE IT TOUGH: Indian 130 Coach Rick Warne will be in dire need. He loses both Stoller and With but has some consolation in that Mike Schultz will be performing. Schultz was a frontliner along with Stoller and With while on the 10's and 20's but didn't play ball last annum. Rick usually does an excellent job with whatever material is available, though.

* * *

LUCK O' THE IRISH: Westmoor Basketball Coach Tony Giammona will only lose one hoopster to Oceana, but he's taking it hard. John Kelly, a second team All-Peninsula 120 cager, and only a freshman, will be starting his soph year as an Oceanan. Giammona says, "I hate to see him leave, he really looked promising."

* * *

SIGNS O' THE TIMES: Jefferson Elementary District Superintendent Richard Foster says it's hard to find Girls' Physical Education teachers now but it will be even harder in the future. He claims our "cultural pattern" is to blame. The stress is on femininity and less "manly" endeavors than sports. Hate to go against the local district but we hope the trend continues.

* * *

A 'SAD ROADBLOCK': Now that the Giants have both Sad Sam and Roadblock Sherman Jones we hope that the two form a 'Sad Roadblock' pitching force against the opposition. One of these days Jones will relieve Jones and the inevitable headline will be "Jones Boys win." Too bad the SF'ers sold Gordon Jones last year and former Giant Sheldon Jones retired. Gordon let in so many runs for the Giants last year perhaps he could have been called "Freeway." What the local nine needs is more guys named "Smith."

* * *

LIGHTS OR NO, FOG IS TOO MUCH: Tony Giammona does not believe lights at playgrounds would help softball leagues here. Claims he, "The fog is so bad here, that at times softball games played at twilight makes it hard on the players. I don't believe lights could help the situation." We've only one answer. As the "Flying Saucer" record stated, "They're Still A-Round." (The softballs, not the flying saucers.)

Junior Bowlers Winter League To Start Early

Because of the tremendous interest and obvious values of bowling to the younger set, registration for the winter leagues will be getting under way a week early this year. Within the next two weeks the complete program will be presented to junior bowlers.

There will be many leagues available for experienced and novice bowlers alike. Weekday leagues for the younger bantam bowlers will be included in addition to the regular Saturday morning program. Exact times and dates will be available quite soon.

In order to facilitate and expedite joining a winter league, the following tips are suggested:

1. Anticipate how much recreation time you will have during the winter months.

2. If joining a competitive league, plan on sticking with the league until the season is over.

3. If possible join a team before signing up. It is much easier to place a team in a league than an individual bowler.

4. If you form a team, try to sign boys or girls that live near you and that are your friends.

'Men Of Note' Taking New Singers Into Chorus Organization

Executive board of Men Of Note, San Francisco's distinctive Male Chorus, is busily engaged in planning activities for its ninth season.

They indicate that any man interested in singing, with or without training, is welcome to affiliate with the group, which will again be under the able direction of Mrs. Jacobs. Information may be obtained by telephoning OV 1-2825 or SE 1-

UC Of Santa Barbara Only 1960 Foe To Have Edge Over SFS

San Francisco State College's Gators will meet only one team that they don't have an over-all victory total against this year, U.C. of Santa Barbara, and will meet them in the first football game of the season on September 16.

UCSB has won four of six encounters with the Gators with no ties being recorded. SFS has a better won than lost mark against all other clubs excepting University of San Diego, a school they have never met before. They meet San Diego at SFS in the homecoming game on November 5.

The schedule follows:

Date	Opponent and Series Record	Place	Time
Sept. 16	U.C. of Santa Barbara (2-4-0)	Goleta	8:15 p.m.
Sept. 24	Long Beach State (3-0-0)	S.F.	2:00 p.m.
Oct. 1	Cal Poly of Pomona (3-0-0)	Pomona	8:00 p.m.
Oct. 8	*Humboldt State (11-7-1)	Arcata	8:00 p.m.
Oct. 15	Los Angeles State (1-0-0)	S.F.	2:00 p.m.
Oct. 22	*Univ. of Nevada (8-2-0)	S.F.	2:00 p.m.
Oct. 28	*U.C. of Davis (Aggies) (9-6-1)	Davis	8:00 p.m.
Nov. 5	U. of San Diego—Homecoming	S.F.	2:00 p.m.
Nov. 11	*Sacramento State (6-0-0)	S.F.	2:00 p.m.
Nov. 19	*Chico State (12-11-2)	S.F.	2:00 p.m.
